Born To Be King Prince Charles On Planet Windsor:

Born to Be King Catherine Mayer, 2015-02-17 A provocative surprising and utterly fresh portrait of Charles Prince of Wales He is one of the world's most fascinating and least understood figures now sixty six Prince Charles has spent his entire life preparing to be king while insisting on being his own man In this brilliant portrait he emerges as a complex character driven by a painful past a questing intellect and a powerful impulse not only to reshape the monarchy but to use the long wait for the throne to work toward high ideals Based on exclusive interviews with members of Charles's inner circle and on rare access to the Prince himself this revelatory biography takes us deep into the royal sphere a world of its own that Catherine Mayer calls Planet Windsor and shows us the skullduggery and unintentional comedy of court life At the same time it provides a clear eyed view of Charles's struggles and his achievements as a philanthropist and activist The book also offers a fundamental reappraisal of one of the most documented episodes in modern history his marriage to Diana The reality as with many aspects of the Prince's story is more gripping and more poignant than we knew Now closer than ever to achieving happiness the Prince is still far from settled He remains committed to bringing about social and political change but in aiming to be a king of hearts he often creates heartache for himself and others *Born to Be King* explains how and why Charles may redefine the role of the sovereign even as it reveals the astonishing extent to which the Prince has already left his mark on the world

The King Christopher Andersen, 2022-11-08 From 1 New York Times bestselling author Christopher Andersen comes a vivid and unsparing yet sympathetic portrait of one of the most complex and enigmatic figures of our time Charles who has taken his place on the throne after being the oldest and longest serving heir in British history Since the day Charles Philip Arthur George was born he has been groomed to be King After more than seventy years of waiting he finally ascends the throne *The King* examines the private life of this historically important and controversial figure set against the grand thousand year sweep of the British monarchy This richly detailed biography covers it all from his military training to his marriage to Lady Diana through their separation and her tragic death to his marriage to Camilla Parker Bowles In the process it provides a balanced but fully honest look into the life of the new monarch This book will tell you what the King a man who has remained something of an enigma shrouded in speculation and intrigue is really like *The King* is the first biography of Charles since he has become monarch and serves as an authoritative chronicle of his life

Brothers and Wives Christopher Andersen, 2021-11-30 Featuring unreported details and stunning revelations the long awaited follow up to the fabulous addictive *Chicago Sun Times* New York Times bestseller *Diana's Boys* explores the last twenty years in the lives of Princes William and Harry and the evolution of their relationship as adults with one brother the designated heir and the other doomed to life as the spare perfect for fans of Netflix's *The Crown* *Diana's Boys* revealed the powerful bond between the teenaged princes and how it strengthened even more in the wake of their mother's tragic death Now twenty years later Queen Elizabeth II is in her mid nineties Prince Charles is in his seventies and all eyes are turned

increasingly toward William and Harry again Christopher Andersen picks up where he left off covering everything that has happened to the brothers as they have grown up gotten married to two remarkable women and had children all while facing continual waves of controversy and questions about the ways their relationship has shifted Andersen examines how the Queen's behind the scenes maneuvering to mold her grandsons in the Windsor image after Diana's death and her expectations of William as the future king played out He questions whether the brothers' famously close relationship can survive Harry's departure from the Royal Family the first time this has happened since their great great uncle King Edward abdicated the throne to marry a divorcee He delves into the impact sisters in law Kate and Meghan have had on each other as well as on their princes and how marriage and fatherhood have changed the brothers and in some ways also driven a wedge between them Andersen also looks with an honest eye at how the princes and their wives have been continuously buffeted by scandal including headline making allegations of bullying racism betrayal and emotional abuse that has pushed more than one royal to the brink of self destruction Based on in depth research and with his fascinating and insightful *The Christian Science Monitor* writing Andersen leaves no stone unturned in this intimate and riveting look into the private lives of the world's most famous princes

Relics Jamie Grove, Max Grove, Mini Museum, 2021-10-26 Four billion years in the palm of your hand *Relics A History of the World Told in 133 Objects* is the story of our planet as you've never seen it before The Mini Museum is a collection of treasures gathered from across space and time shared by tens of thousands of people in more than 120 countries Each item in the collection is a story connected to a childhood dream of sharing all the wonders the universe has to offer while bringing all of us closer together In this book the Mini Museum team shares the stories of real objects that have shaped our very existence across billions of years of history Beginning with the birth of our solar system and the very building blocks of life you'll explore our dynamic planet from the constant shifting of continents to dramatic and violent upheavals which have changed the course of all life again and again You'll visit mighty civilizations with cultures spanning millennia as well as modern symbols of creativity and innovation and the march of humanity as we reach toward the stars Every item is photographed and presented in detail There are also wild tales of adventure as the crew travels the world and prepares one of the most complex collections ever assembled

Charles: The Heart of a King Catherine Mayer, 2015-02-05 The Sunday Times Top Ten Bestseller Breathtaking The Times The book that made headlines around the world Independent The former Prince of Wales has lived his whole life in the public eye yet he remains an enigma He was born to be king but he aims much higher A landmark publication *Charles The Heart of a King* reveals Charles in all his complexity the passionate views that mean he will never be as remote and impartial as his mother the compulsion to make a difference and the many and startling ways in which the Prince and now King of the United Kingdom and fifteen other realms has already made his mark The book offers fresh and fascinating insights into the first marriage that did so much to define him and an assessment of his relationship with the woman he calls with unintended accuracy his dearest wife Camilla now Queen Consort We see

Charles as a father and a friend a serious figure and a joker Life at court turns out to be full of hidden dangers and unexpected comedy Now updated and revised with a new preface and two new chapters covering details of Harry and Meghan s exit and its implications the cash for honours scandal Prince Andrew and more this significant study reveals a monarchy threatened and a man in sight of happiness yet still driven by anguish and a remarkable belief system a charitable entrepreneur activist agitator and avatar of the Establishment who just as often tilts against it Based on multiple interviews with his friends and courtiers palace insiders and critics and rare access to Charles himself before his kingship this biography explores his philanthropy and his compulsive interventionism his faith his significant impact on politics and the philosophy that means when he seeks harmony he sometimes creates controversy Gripping at times astonishing often laugh out loud this is a royal biography unlike any other A must read this important book is nothing short of a manual to our future King s world view GQ A sustained piece of higher journalism Independent
