**Chitadze, Nika**

**Christian Hudson Gfas:**

World Politics and the Challenges for International Security Chitadze, Nika, 2022-03-18 World politics as a scientific discipline was established during the second half of the 20th century and has gained rapid distribution in many countries. This field of study focuses attention on current political processes as well as the potential of further development. It is essential to analyze world politics to move progress forward while also strengthening international security and the creation of a safer civilization. World politics cannot be understood without the combined knowledge of history, economics, law, social sciences, and psychology. World Politics and the Challenges for International Security describes the global processes in the field of world politics and international security and discusses global problems, global security, and the threats and challenges that currently affect global society. Covering topics such as digital diplomacy, political corruption, and terrorist psychology, this book is essential for political scientists, researchers, policymakers, global leaders, national security officers, diplomats, professors, and students of higher education and academicians.

Fuel your quest for knowledge with is thought-provoking masterpiece, Explore **Christian Hudson Gfas** .
