## **Christian Intentions Examples:**

**Christ Our Example ...** Caroline Wilson (formerly Fry.),1873      *Imitation in Early Christianity* Cornelis Bennema,2025-03-20 What did exhortations to follow Jesus or imitate Christ mean to early Christians Cornelis Bennema examines mimesis as a religious ethical concept in early Christianity the imitation of Jesus and other exemplars to become a better more Christlike person Situating appeals for imitation in the New Testament and Apostolic Fathers within the cultural and social context of the broader Greco Roman world Bennema shows how early Christian mimesis was not about literal replication but instead was a creative cognitive and transformative means for shaping conduct and character As part of this study Bennema explores key questions about the historic origins of early Christian mimesis the language that early Christian authors used to articulate the concept of mimesis the scope nature and workings of mimesis in each major section of early Christian literature and how early Christians navigated the challenges of imitating exemplars such as Paul or Jesus who were not physically present Offering well researched answers to these questions Bennema provides readers with a nuanced and informative picture of exhortations to imitation in the New Testament and Apostolic Fathers      The Application of the Teachings and Example of Christ to the Relationship of the Native Citizen to the Immigrant Nathana Lore Clyde,1913

**Leaving Us an Example: is it Living - and Why? An Enquiry, Suggested by Certain Passages in John Stuart Mills' "Essays on Religion."** John Stuart Mill,1876      **Christ our example, by the author of The listener** Caroline Wilson,1873      *The Incarnation as God's First Intention* Edwin Chr. van Driel,2025-10-21 In *The Incarnation as God's First Intention* Edwin Chr van Driel advocates a transformative perspective on the incarnation proposing that God's decision to become incarnate was not a response to human sin but was instead God's first and foundational intention Engaging the historical and theological roots of this supralapsarian before the fall Christology van Driel a leading scholar on the topic invites readers to reconsider long held views on God's engagement with creation With clarity and depth van Driel unpacks how understanding the incarnation as God's original purpose reshapes the doctrines of creation election salvation and eschatology His insights offer a fresh framework for the church's mission in today's world suggesting that God's presence with us is not merely a remedy for human fallenness but rather God's first intention and ultimate goal for creation Written for students theologians and all who seek a deeper understanding of God's relation to the world this book challenges readers to see the incarnation God's dwelling among us as God's central purpose      **Christ an example for the young, the Gospel narrative harmonized, by the author of The system of graduated simultaneous instruction** Robert Mimpriss,1884

**Meditations on the Most Precious Blood and Example of Christ** John Stanley Tute,1875      The Christian Doctrine of Justification and Reconciliation Albrecht Ritschl,1900      Moral Discernment in the Christian Life James M. Gustafson,Theodoor Adriaan Boer,Paul E. Capetz,2007-01-01 James M Gustafson has been a leading and formative figure in the field of Christian ethics over the past fifty years His many contributions to theological ethics have helped to define and

shape ethical thinking by Christians who reflect on great moral issues Gustafson's work must be dealt with by all students in this discipline and his perceptive insights have given clarity and guidance to the process of moral discernment The essays collected here are ones that have had a significant impact on discussions and debates over recent decades The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field

Ford's Christian Repository, 1873      Theology and Christian Ethics James M. Gustafson, 1974 With his earlier writing James M Gustafson established himself as a highly original thinker both practical and theologically sound In Theology and Christian Ethics he develops guidelines for Christian living that balance spiritual and moral theologies and investigates the ethical issues in our technological society particularly in biomedical development and genetic engineering Theological ethics differs from humanistic philosophical or secular ethics because it begins and ends with a commitment to God Gustafson explains these differences and relates his concepts to contemporary Christian living in the first part of the book Part two includes a substantial exploration of the biblical basis of ethics that is fundamentally sound He also stresses the unity between the spiritual and moral life and provides a Christian perspective for moral discernment that is significant to the understanding and practice of ethical Christian life In the final section of the book Gustafson considers ethics and the sciences including the social sciences Publisher
