Christian Morality Russell B. Connors, 2001 Principles of Catholic morality are presented with questions concerning everyday life A Pastoral Series that offers an in depth yet accessible understanding of the fundamentals of the Catholic faith for adults both those active in pastoral ministry and those preparing for ministry The series helps readers explore the Catholic tradition and apply what they have learned to their lives and ministry situations Includes study questions and suggestions for further reading In the Breath of God Russell B. Connors, 2001 **In the Breath of God** Russell B. Connors, Jr., Tom Walters, 2004-01-01 Bible and Ethics in the Christian Life Bruce C. Birch, Jacqueline E. Lapsley, Cynthia D. Moe-Lobeda, Larry L. Rasmussen, 2018-05-01 Earth is changing in ways it hasn't for hundreds of thousands of years At the same time Christianity is breaking away from its millennium long geographical and cultural center in the Euro West Its growth is in Asia Africa and Latin America primarily in Pentecostal evangelical and independent churches These dramatically changed planetary and ecclesial landscapes have led many to conclude that we need a new way of thinking about our collective existence who are we and what is the nature of our responsibility in this deeply altered world To address that question biblical scholars Bruce C Birch and Jacqueline E Lapsley and Christian ethicists Larry L Rasmussen and Cynthia Moe Lobeda carry on a new conversation that engages how Christians are to understand the authority and use of Scripture the basic elements of any full bodied Christian ethic attuned to our circumstances and the nature of our responsibility to our planetary neighbors and creation itself **The Origins of Christian Morality** Wayne A. Meeks, 1993-01-01 By the time Christianity became a political and cultural force in the Roman Empire it had come to embody a new moral vision This wise and eloquent book describes the formative years from the crucifixion of Jesus to the end of the second century of the common era when Christian beliefs and practices shaped their unique moral order Wayne A Meeks examines the surviving documents from Christianity's beginnings some of which became the New Testament and shows that they are largely concerned with the way converts to the movement should behave Meeks finds that for these Christians the formation of morals means the formation of community the documents are addressed not to individuals but to groups and they have among their primary aims the maintenance and growth of these groups Meeks paints a picture of the process of socialization that produced the early forms of Christian morality discussing many factors that made the Christians feel that they were a single and chosen people He describes for example the impact of conversion the rapid spread of Christian household cult associations in the cities of the Roman Empire the language of Christian moral discourse as revealed in letters testaments and moral stories the rituals meetings and institutionalization of charity the Christians feelings about celibacy sex and gender roles and their sense of the end time and final judgment In each of these areas Meeks seeks to determine what is distinctive about the Christian viewpoint and what is similar to the moral components of Greco Roman or Jewish thought **A Moral Creed for All Christians** Daniel C. Maguire, Widely heralded for his bold and prophetic ethical thought Maguire urges that Christianity's

real relevance for the renewal of American public life lies not in the myopic morality of the Christian Right nor in any particular program of the Left but in the enduring relevance of Jesus and biblical Christianity His new work builds on his earlier volume *The Moral Core of Judaism and Christianity* with the benefit of a new generation of social studies of the New Testament and a keen appreciation for the radically changed situation Christians confront today Daniel C Maguire is Professor of Ethics at Marquette University a past president of the Society of Christian Ethics and president of the Religious Consultation on Population Reproductive Health and Ethics A frequent lecturer and media commentator Maguire is author of many influential works in ethics such as *Death by Choice* 1974 *The Moral Choice* 1975 *The Moral Revolution* 1986 *Sacred Energies* Fortress Press 2000 and *Sacred Choices* Fortress Press 2001 *Moved by God to Act* Wm. Carter Aikin, 2014-01-03

Moved by God to Act offers a fresh description of Christian moral action as a moment of connection between divine and human agency Through an ecumenical consideration of a variety of resources this book gives an accessible description of the work of God's grace not only in individual Christian agency but also within the dynamics of Christian community *Moved by God to Act* brings the contemporary theological ethics of community into dialogue with the pneumatology of Thomas Aquinas The ethic emerging from this dialogue lifts up the centrality of God's grace in Christian community while at the same time offering a detailed articulation of the human being as naturally and beautifully drawn into cooperation with God's grace in the ethical life The book concludes by showing how Aquinas stands in substantial harmony with the contemporary authors discussed offering a proper description of God's agency in individual Christian human agency and the dynamics of the body of the Christian community to which the contemporary discourse so rightly points *Moved by God to Act* is an attempt to speak to the work of God in the life and day to day action of Christians and Christian communities as moved to act by the Holy Spirit
