Fiensy, 2017-07-15 Each volume in the Insights series presents discoveries and insights into biblical texts from a particular approach or perspective in current scholarship Accessible and appealing to today's students each Insight volume discusses how this method approach or strategy was first developed and how its application has changed over time what current questions arise from its use what enduring insights it has produced and what questions remain for future scholarship Archaeological exploration of Syria Palestine and the ancient Near East has revolutionized our understanding of the Bible In

this volume David A Fiensy provides a brief survey of a discipline that was once called biblical archaeology and describes how the conception of the field has changed recounts how key discoveries have opened up new understandings of Israel's own history and religion as well as the ancient Near Eastern and later Greco Roman environments and the impact on biblical studies and theology discusses how archaeological study has shaped the task of biblical interpretation with illustrative examples analyzes specific texts through archaeological perspectives and provides conclusions challenges and considerations for the future of archaeology and biblical

**The Social Origins of Christian Architecture: Texts and monuments for the Christian domus ecclesiae in its environment** L. Michael White, 1996 Early Christianity seems not to have had a highly developed institutional character Christians met in the homes of individual members and there was no such thing as a church building By the fourth century however Christianity had become an official Roman religion and a new architectural form the basilica would soon become the standard throughout the Roman world In this volume Michael White uses literary archaeological and documentary sources to set the architectural history of the early church within its wider cultural context showing how the change from house churches to public basilicas coincided with crucial developments in the social aspects and religious practices of the emergent Christian movement
