Why Christmas Is Cancelled Ron Roecker,2019-09-26 Santa has HAD it For generations he's received letters from children all over the world telling him their greatest wishes for Christmas They believed in the magic and he believed in them But with every new tech gadget gizmo and goody Santa would receive fewer and fewer letters Now his worst fears have come true not one single letter from anyone all year long Without any letters Elves have nothing to build and reindeer have nothing to haul so Santa decides it's time to give the world a much needed holiday gift he cancels Christmas In the first Global Group text Santa spells it all out the importance of human connection face to face interaction and never letting the child inside get lost in the trappings of adulthood This is a modern poignant on the rednose tale for the whole family that reminds us all how important it is to be present how technology can disconnect us and how we can believe in the magic and hope of Christmas again without ever downloading an app

Christmas is Cancelled Dan Henk,2022-01-13 Remember those heartwarming holiday stories The ones about genial creatures like the Easter Bunny and Santa Claus This isn't one of those stories Santa has always obeyed The jolly old fellow has been doing his job for so long he no longer really understands why he simply carries on year after year That is until an accident sends him off the usual Christmas course and what shows up at the doorsteps of unsuspecting townsfolk is far from what they remember If they live long enough to remember at all A 30 page chapbook written and illustrated by Dan Henk Signed and numbered edition limited to 300

Angry White People Hsiao-Hung Pai,2016-03-15 An enlightening thoughtful and intelligent study The Independent There is a new anger brewing in Britain In the pubs and estates the cafes and football stadiums the mood is unsettled People kick back increasingly against whoever or whatever is presented as the latest scapegoat Delving deep into the day to day of a marginalized section of the working class Angry White People offers an unparalleled survey of this anxious uncertain febrile Britain From the English Defence League EDL to UKIP activists Hsiao Hung Pai conducts a fantastically daring investigation Amongst those she follows are Darren a Lutonian who helped found the EDL but is now a dedicated anti racist Labour activist and Tommy Robinson infamous founder of the EDL whom Pai observes changing from a young foul mouthed kid to a suited and booted Oxford Union guest speaker and hate preacher Uncovering disturbing levels of racism in our society which

And she's got to work with him. Despite her inner turmoil, there's no way she'll let Ingrid and the diners down, so she's determined to grin and bear it. It's just a few hours after all. Year Book New York Orthopaedic Dispensary and Hospital, 1931. *Crowds, Community and Contagion in Contemporary Britain* Sarah Lowndes, 2022-09-30. *Crowds, Community and Contagion in Contemporary Britain* presents the COVID 19 pandemic as an opportunity to reassess the neoliberal politics, xenophobia, and racism that have undermined community cohesion in the United Kingdom since 1979 and which have continued largely unchecked through the last four decades. Guided by three interconnected ideas used throughout to scrutinise the meaning of culture as a way of life: Welsh cultural theorist Raymond Williams' structure of feeling, Jamaican British sociologist Stuart Hall's conception of the conjuncture, and Belgian political philosopher Chantal Mouffe's agonistic pluralism, Sarah Lowndes finds that a renewed sense of mutual regard and collective responsibility are necessary to meet the unprecedented challenges of the COVID 19 pandemic. She begins by reflecting on public gatherings in Britain from

1945 to 2019 moving on to analyse five key examples of public gatherings affected by the pandemic in 2020 onwards Chinese New Year the UEFA Champions League Final VE Day street parties Black Lives Matter demonstrations and the cancellation of Eid ul Adha celebrations A thorough examination of how ideas proliferate and spread through our society public sphere and collective consciousness this book will appeal to scholars and upper level students of cultural studies cultural history sociology and politics
