Santa's Thirty-Five-Year Sleigh Ride Charles Jeffrey Noel, 2020-12-10 The title of my book Santa's Thirty Five Year Sleigh Ride Memoirs of a Professional Career as Santa Claus states the basic summary of my book and alerts the reader of what to expect It contains many of my favorite memories memoirs of my career as a professional Santa Claus over the past thirty five years To me children are special and they deserve to be happy At first contact I have no idea of their background or their circumstances I just do my best to make them feel like the most important person in the world The few minutes they have with me as Santa Claus might very well be the only time during the entire year that they feel special important and loved My memoirs are full of interesting stories sad stories and true tales of surprising adventures and events in the life of a modern day Santa Claus Since I love humor and I think that most people do I have included my most memorable stories that are memorable because of the humor involved And perhaps some of my favorite memories will become some of yours as well Maybe you have wondered what a Santa Claus does what experience he has had or why he became a Santa Claus in the first place Perhaps you have wondered what credentials he has to have or what type of personality he needs to be a great and convincing Santa Claus If so my book will be of great interest and value to you I as Santa have had many many precious moments with children I have had both funny and sad moments that may bring you to tears I've smiled I've laughed and I've cried You will too And if you've ever wondered what it would be like to be a Santa Claus and make a child smile by just being there my book will help you to understand And finally if you have ever considered actually donning the red suit and portraying the Jolly Old Elf yourself my book may very well push you over the top

Some Kind of Hero Matthew Field, Ajay Chowdhury, 2015-10-12 For over 50 years Albert R Broccoli s Eon Productions has navigated the ups and downs of the volatile British film industry enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series Latterly this family run business has been crowned with box office gold and recognised by motion picture academies around the world However it has not always been plain sailing Changing financial regimes forced 007 to relocate to France and Mexico changing fashions and politics led to box office disappointments and changing studio regimes and business disputes all but killed the franchise And the rise of competing action heroes has constantly questioned Bond s place in popular culture But against all odds the filmmakers continue to wring new life from the series and 2012 s Skyfall saw both huge critical and commercial success crowning 007 as the undisputed king of the action genre Some Kind of Hero recounts this remarkable story from its origins in the early 60s right through to the present day and draws on hundreds of unpublished interviews with the cast and crew of this iconic series
