Kingsford,1905      **CHRONICLES OF LONDON** CHARLES LETHBRIDGE. KINGSFORD,2018      **Chronicles of London**  
Charles Lethbridge Kingsford,2018-02-18 Excerpt from Chronicles of London Edited With Introduction and Notes Sir henry  
ellis in the Preface to his edition Of Robert Fabyan s Chronicle praised the author as the rare instance of a citizen and  
merchant in the fifteenth century devoting himself to the pleasures of learning Herein he did the worthy alderman more than  
justice for Robert F abyan was but one of the last In a long line and built only a little that was new on the foundations which  
others had laid From the beginning at least of the fifteenth century aldermen and citizens of London had shown their interest  
in civic and general history by compiling or encouraging others to compile English Chronicles arranged under the years of  
the municipality The Chronicles of London which as we now know them thus came into being can however trace their  
ancestry much further back Early in the growth of municipal life there must have arisen the desire for a readily accessible  
record giving at least the succession of city Officers To the record thus established it was natural to add year by year notices  
whether of landmarks in the history of the City or Of some great event which had made the year in question memorable 1
