Church History Dr. Justo L. Gonzalez, 2010-09-01 One of the chief difficulties in studying the history of Christianity is the lack of prior exposure to the subject that students often bring with them Struggling to keep up with the large numbers of names dates and places presented to them it is easy for students to lose sight of the big picture the broad sweep of movement and change that instructors most wish to communicate Justo Gonzalez has written this book to help students gain just such a quick and basic grasp of the main periods and issues in the history of Christianity Drawing upon his own extensive experience and that of others he contends that having been introduced to the essentials of church history in a brief and accessible form students are far better able to understand and appreciate what they encounter in more detailed lectures and reading Gonzalez provides a comprehensive opening chapter that summarizes major issues and concerns of each of the principal eras of church history Subsequent chapters focus on the ancient church the Christian empire the Middle Ages the Reformation the seventeenth through nineteenth centuries and the twentieth century and the end of modernity *Methodist Morals* Darryl W. Stephens, 2024-01-12 *Methodist Morals* offers keen insight into the public church interpreting the United Methodist Social Principles as a dynamic discourse about morality and human rights in light of faith Revised every four years by the General Conference of the United Methodist Church the Social Principles exposes the moral deliberations of this distinctly American and increasingly worldwide church as it struggles to achieve community across multiple languages and cultures Perhaps no other document provides as rich a depiction of Protestants participating in the moral argument of public life This is the first full length study of Methodist social teachings in over fifty years Examining official Methodist teachings from institutional historical and cross cultural perspectives Darryl Stephens provides a rich analysis of this case study of Protestant social witness drawing on his expertise in church polity Methodist history and Christian social ethics A wide range of comparisons with documents of the United Nations with moral debate in Germany and Zimbabwe and with historical Methodist statements of social witness shows the Social Principles to be a unique form of social witness The issues of war abortion human sexuality and marriage illustrate the messiness of democratic deliberation in an ecclesial context and the evolution of a people ever concerned with the sin of worldliness even as they become more attuned to transforming social structures Stephens also contrasts this conception of the public church with the ecclesiologies of prominent Methodist ethicists Stanley Hauerwas and Paul Ramsey Intended for students of Methodism ecumenical church leaders and scholars of Christian social ethics and contemporary US mainline religion this work reveals the challenges to and possibilities for achieving moral community in an increasingly global and diverse world DARRYL W STEPHENS director of United Methodist studies at Lancaster Theological Seminary is former assistant general secretary for advocacy and sexual ethics in the UMC s General Commission on the Status and Role of Women He is the coeditor of *Professional Sexual Ethics A Holistic Ministry Approach* **AAR/SBL Annual Meeting Program** American Academy of Religion. Meeting, 1999 **An Introduction to**

**the New Testament, Second Edition** Charles B. Puskas, C. Michael Robbins, 2011-06-16 Studying the New Testament requires a determination to encounter this collection of writings on its own terms This classic introduction by Charles B Puskas revised with C Michael Robbins provides helpful guidance Since the publication of the first edition which was in print for twenty years a host of new and diverse cultural historical social scientific socio rhetorical narrative textual and contextual studies has been examined Attentive also to the positive reviews of the first edition the authors retain the original tripartite arrangement on 1 the world of the New Testament 2 interpreting the New Testament and 3 Jesus and early Christianity This volume supplies readers with pertinent primary and secondary material The new edition carries on a genuine effort to be nonsectarian and although it is more of a critical introduction than a general survey it is recommended to midlevel college and seminary students and to anyone who wants to be better informed about the New Testament     **Towards the Prophetic Church** John M. Hull, 2014-09-30 Thirty years ago John Hull wrote What Prevents Christian Adults from Learning This new book asks What Prevents Christian Adults from Acting How has it come about that the Church appears to be so preoccupied with itself What happened to the quest for the social justice of the Kingdom of God John Hull's search for understanding took him back to the prophetic tradition of the Bible and he discovered that this has become neglected and even betrayed Christian discipleship must be more than church going and prayer Christians must resist the unjust structures of society in the prophetic tradition Theological reflection is not enough     **Christianity: A Brief Survey** Michael D. Robinson, 2022-05-13 Christianity is a way of life centered on the person life teaching death and resurrection of Jesus the Christ As a religious way of life Christianity is multifaceted involving numerous beliefs and practices This book explores many of the varied facets of the Christian faith including its foundations in the story of Israel the person of Jesus the early Christian community and the sacred text called the Bible In turn Robinson's book examines Christianity's core doctrines ethical norms and worship practices rounding out the study by considering four key contemporary challenges faced by Christian believers namely the problem of evil the relationship of Christianity to other religions and to science and the role of women in church and society Among the strengths of this book is that it addresses these multiple features of Christianity in a single volume it is aptly titled Christianity A Brief Survey     *Index to Book Reviews in Religion* ,1999     **Rabbinic Literature** Jacob Neusner, 2005 This book introduces students to the major Western world religions Judaism Christianity and Islam their beliefs key concepts history as well as the fundamental role they have played and continue to play in Western culture Back cover     **Heythrop Journal** ,2000 A select book list appears quarterly     **Church & Synagogue Libraries** ,2005     **American Book Publishing Record** ,2004     *The British National Bibliography* Arthur James Wells, 2007     **Subject Guide to Books in Print** ,2001     *Forthcoming Books* Rose Arny, 2003     **Jeff Herman's Guide to Book Publishers, Editors & Literary Agents 2007** Jeff Herman, 2006-12 Presents a guide to the names and specialties of American and Canadian publishers editors and literary agents including information on the acquisition process and on choosing literary
