

ALGIES WESLEYAN CHURCH

Dear Mr. Wilson,

A letterhead refers to the heading at the top of a sheet of letter paper. It usually consists of a name and an address, or a logo. This often appears in letters created by companies and individuals for communicating messages, whether it's within the team, business partners, or with clients.

Letterheads are important branding tools as well, as they are sent out to a wide audience. They can set the tone for messages while showcasing your company's expertise and professionalism. This makes it important for you to create a letterhead that captures your brand's identity while presenting important details. It helps to create a template that you can use for different occasions, from inter-office memos to customer correspondences.

Yours faithfully,

Rev. Rufus Stewart

Church Letter Head Sample:

No Strings Attached Rachel Nafziger Hartzler, 2013-04-30 *No Strings Attached* is the story of a Mennonite congregation in Indiana that existed for eighty six years The congregation began during the social and religious turmoil of the 1920s when some Mennonites in North America held to rigid doctrines and ethics implemented by central authority and others operated with a congregational polity and became more assimilated into secular culture The struggle between these two different understandings of faithfulness was most passionately played out in northern Indiana Placing the narrative of this congregation within the context of 500 years of Mennonite history illustrates the grace and the tension that has both beset and empowered a unique group of people who began as radical reformers Although no strings attached refers to the women s headwear during the 1920s which had no strings it could also be the story of the pastor eating lunch on the peak of the steep roof of the church building Reflecting on stories of these Mennonite people is an invitation to move into the future with courageous hope Believing and behaving differently has not prevented Middlebury Mennonites from treating each other respectfully living in a community of love joy and peace and offering God s healing and hope to each other and to the world

Maturation Through Marriage Lowell Lueck, 2015-09-16 At first look it seems logical Christian maturity and preparation for eternity would go hand in hand with marriage But when one delves deeper and takes a look at statistics it does not always work that way *Maturation through Marriage And the Enticement of Divorce* takes an honest look at author Lowell Luecks theological and spiritual reflection on the texture and contours of the fabric of his married life It does not shy away from honestly portraying his sins but balances those statements of shortcoming with equally powerful reminders of the consolation and guidance from the Scriptures Lueck found faulty applications or fundamental violations of Biblical principles by Christian spouses and the Christian church have allowed the tragic destruction of families Lack of adaptation to no fault divorce statutes frustration of trying to apply biblical principles to our twenty first century Western worldview of love dating and marriage and the unwillingness of the church to uphold Godly encouragement and accountability are some of the issues Lueck addresses As a Christian marriage and family therapist with two failed marriages he writes from an insiders perspective and with a willingness to share his shame of these experiences and also his deliverance from the false guilt that he had carried Written in an easy to understand manner *Maturation through Marriage And the Enticement of Divorce* is not just theory Based upon the authors firsthand experience this book can help you deal with the same or similar issues
