Download this free version of the world's leading direct design software and start creating great products today. With Creo Elements/Direct Modeling Express, you get the freedom to innovate, along with the flexibility to import and repurpose design data. Plus, you have an easy upgrade path to our professional version of Creo Elements/Direct when your 3D design challenges grow.

Respond instantly to design changes

With Creo Elements/Direct Modeling Express, engineers, designers and hobbyists who deal with frequent reworking of designs can have the flexibility they need through a direct approach to 3D design. In Creo Elements/Direct, design data from any CAD system can easily be imported and used as the basis for a new model, as if the data were native.

Take a new approach – risk-free

Try Creo Elements/Direct Modeling Express, the world's #1 direct 3D CAD system, and join a growing network of hundreds of thousands of users from over 100 countries who implicitly trust this approach to innovative design.

Find out if it's right for you

Speed, flexibility and responsiveness to change make Creo Elements/Direct Modeling Express a popular choice for leaders in product design who typically have short design cycles and frequent one-off designs. It's also ideal for short-series production runs. More than 5,000 companies have embraced the Creo Elements/Direct product family for over 15 years.

Getting started is easy: Just register online (PTC.com/go/modelingexpress), download the free software, and in minutes you're designing great products.

Easy upgrade when you're ready to grow

Companies needing more 3D design power can upgrade to the full, professional version of Creo Elements/Direct Modeling when they outgrow the Express edition. In the Professional edition, you'll find a complete set of modules delivering key capabilities, such as sheet metal, rendering and data management, enabling you to design anything from simple projects to larger product designs.

Please note, files created in the Express version cannot be used in the full professional version.

Creo Elements/Direct Modeling Express is a free download that allows you to experience the world's #1 direct 3D CAD system.
