This book focuses on all forms of corrections and correctional facilities outside of jails and prisons from traditional incarceration programs to the most current programs such as electronic monitoring, house arrest, day treatment, bootcamp and fines. Handbook on Risk and Need Assessment Faye Taxman, 2016-11-10
The Handbook on Risk and Need Assessment: Theory and Practice covers risk assessments for individuals being considered for parole or probation. Each thematic volume focuses on a single topical issue that intersects with corrections and sentencing research.

The added coverage makes the Encyclopedia more comprehensive with a greater focus on today's policing issues.
