included If you have never crocheted before NO PROBLEM Everyone has to start somewhere In this book we will be going  
step by step through ten cute little amigurumi crochet patterns Also included are basic stitch tutorials to help you along the  
way Patterns for many different Organs Brain Gall Bladder Heart Intestines Kidney Liver Lungs Pancreas Stomach Testes  
Uterus What started as something to pass the time during quarantine has turned into so much more These toys bring me joy  
when I make them and even more when I give them away I hope that my creations will bring you and your lucky loved ones  
hours of happiness as well When I first started it took me a week just to figure out how to make a ball It took even longer to  
get my fingers and hands used to holding a crochet hook Crocheting can be frustrating at first but like with all things new  
your body will develop muscle memory and over time you will find that it will get easier Always remember that nothing is  
hard only new There is no right way or wrong way to crochet Whatever works for you your body and your ability is the right  
way Crochet is an art form and like all art forms is open to personal interpretation Crochet patterns function as guidelines
