politically are important in making these sermons resonate all the more We pray that you receive the messages of Jesus Christ through the life work of Reverend Calvin Chao Ph D NOTE Sermons are written in Traditional Chinese *Chinese Recorder and Missionary Journal* ,1935 **Chinese Affairs ...** ,1907 **Grace to the City** Hannah Nation,S. E. Wang,2021-03-05 There is a gospel movement quietly spreading through the largest country in the world Despite secularism materialism and social decay despite government control and persecution house churches are attracting millions of new believers throughout the major cities of China Among these churches a new movement of pastors form a true indigenous expression of Reformed theology preaching prophetically to a postmodern audience and preparing and strengthening their flocks for suffering In this book five Chinese house church pastors apply scripture to life in modern China which mirrors a fast paced globalized world that has lost its moral framework Developed from sermons on the five solas these essays speak to pastors and laypeople alike who seek to follow Christ out of Christian complacency and provide a beacon to the alienated modern global citizen *The China Christian Year Book* ,1928 **China Christian Year Book** ,1928 *The China Mission Year Book* ,1913 **Chinese Christians Speak Out** K. H. Ting,1984 *Protestant Missionaries in China* Jonathan A. Seitz,2024-03-15 With a focus on Robert Morrison Protestant Missionaries in China evaluates the role of nineteenth century British missionaries in the early development of the cross cultural relationship between China and the English speaking world As one of the first generation of British Protestant missionaries Robert Morrison went to China in 1807 with the goal of evangelizing the country His mission pushed him into deeper engagement with Chinese language and culture and the exchange flowed both ways as Morrison a working class man whose firsthand experiences made him an accidental expert brought depictions of China back to eager British audiences Author Jonathan A Seitz proposes that despite the limitations imposed by the orientalism impulse of the era Morrison and his fellow missionaries were instrumental in creating a new map of cross cultural engagement that would evolve ultimately into modern sinology Engaging and well researched Protestant Missionaries in China explores the impact of Morrison and his contemporaries on early sinology mission work and Chinese Christianity during the three decades before the start of the Opium Wars **Grace to the City** Hannah Nation,2019-03-28 It is easy to find many people writing about the church in China analyzing its theological positions and social impact It is much more difficult to find the actual gospel voice of the Chinese church the sermons prayers and beliefs of the people themselves Grace to the City aims to step away from delivering thoughts about the Chinese house church and instead offer the English speaking world a chance to sit directly at the feet of its Chinese brothers and sisters China Partnership s unique access to the sermons and writings of a gospel movement taking place in many of China s house churches today allows us to hear the voices of the Chinese church Its pastors have something to say directly to Western churches and a role to play in teaching and reviving our spirituality May we have the eyes to see and the ears to hear *The Chinese Recorder* ,1912
