Book Report Of The Cay:

The Cay Theodore Taylor, 2003-04-08 For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner *The Cay*. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him and he's eager to glimpse it firsthand until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion, is an old West Indian, Timothy. Phillip remembers his mother's warning about black people: They are different and they live differently. But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. Mr. Taylor has provided an exciting story. The idea that all humanity would benefit from this special form of color blindness permeates the whole book. The result is a story with a high ethical purpose but no sermon. *New York Times Book Review*: A taut, tightly compressed story of endurance and revelation. At once barbed and tender, tense and fragile as Timothy would say, outrageous good. *Kirkus Reviews*: Fully realized setting, artful, unobtrusive use of dialect, the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature. *School Library Journal*: Starred. Starkly dramatic, believable, and compelling. *Saturday Review*: A tense and moving experience in reading. *Publishers Weekly*: Eloquently underscores the intrinsic brotherhood of man. *Booklist*: This is one of the best survival stories since Robinson Crusoe. *The Washington Star*: A New York Times Best Book of the Year. A School Library Journal Best Book of the Year. A Horn Book Honor Book. An American Library Association Notable Book. A Publishers Weekly Children's Book to Remember. A Child Study Association's Pick of Children's Books of the Year. Jane Addams Book Award. Lewis Carroll Shelf Award. Commonwealth Club of California Literature Award. For thousands of years we have set out sailing for all kinds of reasons: for battle, for wealth, for excitement, and for escape. We have always had a primal relationship with the sea. G. Wells, Herman Melville, and dozens more. Many of the writers whose words are featured here are instantly recognizable and have achieved

deserved fame others are less well known and rarely featured in print but here take their rightful place on the shelves of sailing literature Each story is illustrated with black and white line art that makes this book a true classic Even if you are enjoying The Gigantic Book of Sailing Stories from the warm dry comfort of your own living room you are bound to be inspired by the colorful and stirring stories in this timeless collection 50 b w illustrations Skyhorse Publishing as well as our Sports Publishing imprint is proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team In addition to books on popular team sports we also publish books for a wide variety of athletes and sports enthusiasts including books on running cycling horseback riding swimming tennis martial arts golf camping hiking aviation boating and so much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
