Book 10 Chapter 14

John Whitelaw

Book 10 Chapter 14:

Inferno Dante Alighieri, 1996 Martinez and Durling's introduction and notes are designed with the first time reader of the poem in mind but will be useful to others as well. The concise introduction presents essential biographical and historical background and a discussion of the form of the poem. The notes are more extensive than those in most translations currently available and they contain much new material. In addition sixteen short essays explore the autobiographical dimension of the poem, the problematic body analogy, the question of Christ's presence in Hell and individual cantos that have been the subject of controversy including those on homosexuality. There is an extensive bibliography and the four indexes to foreign words, passages cited, proper names in the notes and to proper names in the text and translation will make the volume particularly useful.

Catena Aurea - Commentary On Mathew's Gospel Thomas Aquinas, 2016-09-30 This is volume one of a five volume effort by one of History's greatest commentators on the Gospels. This work is written for one who does have a fluid knowledge of philosophy, not alone Thomas Aquinas. What this accomplishes is to provide a modern version of the Catena Aurea (Golden Chain) in today's vernacular and related issues while in keeping with the flow and content.
