Mormonism W. Paul

Reeve, Ardis E. Parshall, 2010-08-13 Covering its historic development important individuals and central ideas and issues this encyclopedia offers broad historical coverage of The Church of Jesus Christ of Latter day Saints Mormonism A Historical Encyclopedia helps readers explore a church that has gone from being an object of ridicule and sometimes violent

persecution to a worldwide religion counting prominent businesspeople and political leaders among its members including former Massachusetts governor and recent presidential candidate Mitt Romney The encyclopedia begins with an overview of The Church of Jesus Christ of Latter day Saints six essays cover the church s history from Joseph Smith s first vision in 1820 to its current global status This provides a context for subsequent sections of alphabetically organized entries on key events and key figures in Mormon history A final section looks at important issues such as the church s organization and government its teachings on family Mormonism and blacks Mormonism and women and Mormonism and Native Americans Together these essays and entries along with revealing primary sources portray the Mormon experience like no other available reference work **True Latter-Day Saints' Herald** ,1929 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints **The Journal of Latter Day Saint History** ,1995 **Scoffing at Scripture** Frank Bolger Kelly,2011-02 A former Roman Catholic Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disenthral themselves from the demonstrable falsehoods and sectarian nonsense of organized religion A few years ago Kelly decided to sit down with the sacred scriptures of several of the world s major religions the alleged bedrocks of these various creeds in a last ditch effort to achieve holy inspiration Instead he became wholly disenchanted and Scoffing at Scripture A Commoner Reads the World s Holy Writ and Rejects Traditional Religion is the result Far from representing that all elusive Word of God creedal scripture the world over it seems to Kelly merely cloaks the tribal agendas and cultural designs of the world s priestly and virtually allmale elites With the general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross cultural comparative reference Kelly s intent is to facilitate critical analysis of the world s holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated Frank Bolger Kelly grew up in an Irish Catholic family in the Bronx New York matriculated to a noted Jesuit college in New England and subsequently did time at a prestigious non sectarian institution of higher learning in the Midwest It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world s major religions Kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born Scoffing at Scripture A Commoner Reads the World s Holy Writ and Rejects Traditional Religion a book from which the author hopes the open minded reader will draw a secularly pure spiritual sustenance **A New Witness for God** Brigham Henry Roberts,1898 **True Latter-Day Saints' Herald** ,1955 The family magazine of the Reorganized Church of Jesus Christ of Latter Day

Michael Marquardt, 1999 Revelation is so central to Mormonism that one might presume that the study of original texts is an exhausted field The remarkable truth is that little has yet been done in this area An analysis of the earliest manuscripts and first printed versions often in newspapers helps establish the original setting and often the intention of the revelations many of which have been greatly changed by later textual modifications By knowing more of the history of the early church Marquardt hopes to reveal new and important vistas concerning both early Mormonism and the concept of revelation itself *New Witnesses for God: Joseph Smith, the prophet* Brigham Henry Roberts, 1911 New Witnesses for God ...
