*Spirit Possession and Communication in Religious and Cultural Contexts* Caroline Blyth, 2020-11-29 Spirit Possession and

Communication in Religious and Cultural Contexts explores the phenomenon of spirit possession focusing on the religious and cultural functions it serves as a means of communication Drawing on the multidisciplinary expertise of philosophers anthropologists historians linguists and scholars of religion and the Bible the volume investigates the ways that spirit possession narratives events and rituals are often interwoven around communicative acts both between spiritual and earthly realms and between members of a community This book offers fresh insight into the enduring cultural and religious significance of spirit possession It will be an important resource for scholars from a diverse range of disciplines including religion anthropology history linguistics and philosophy     Breaking Generational Curses & Pulling Down Strongholds Vito Rallo,2000 Learn to use the mighty weapons of spiritual warfare that God has provided weapons that have divine power to demolish strongholds     **THE DARK SIDE OF LEADERSHIP** Dr Tessie Herbst,2014 This book highlights the fact that leaders do indeed affect the performance of organizations or the well being of society for better or worse to cast either a shadow or light by the exercise of their leadership Modern psychology with its theories of human behavior which does not acknowledge the existence of the spiritual realm cannot explain the carnage and evil often associated with the dark side of leadership This book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment It highlights an area that has not been exclusively studied by leadership researchers to date the influence of spiritual forces in personality disorders which lead to leadership failure and derailment This book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership inseparably relating body soul and spirit as they function individually and relationally It highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions This book provides solid information and new insights for anyone seeking to understand the dark side of leadership     The Breakthrough Manual Paul McGuire,1992-12     Breaking Generational Curses: Claiming Your Freedom Gabriel Agbo,2015-02-16 This book is a wonderful compilation of materials dealing with generational curses and we believe that it would be a wonderful asset for your library It would also serve as a powerful guide and source for teaching on this subject Most people believe that when they accepted Christ into their life that all curses against them were dealt with and broken This is a correct statement but let s look at Joshua the successor of Moses He was promised the land but he still had to go in and fight for it This holds true for us today because the word in Matthew 11 12 states that the Kingdom of Heaven suffers violence and the violent take it by force As we will find out from this study there are actions that have been done by some people who have brought a curse against their bloodline This must be dealt with before they can be completely free to fulfill the call of God on their life Rev Agbo demonstrates that he has devoted much study to this subject and wants only to present the truth Most people shun this subject of generational curses and would rather not be exposed to it We were touched and blessed by the powerful prayer at the end of the book and recommend this man of God to any church or

organization to speak on this subject Again this book will compel you to live a holy life totally dedicated to God It deals with all areas of life

**Breaking Generational Curses** Robert Strand,2008-08-01 There are many misconceptions today concerning generational curses Some teach that a person's guilt is genetically passed down to the third and fourth generation resulting in all types of difficulties The truth is that we are not responsible for the sins of our forefathers and we are not doomed to see them repeated The sacrifice of Jesus Christ on the cross is sufficient to break the power of any curse This book shows us how to go beyond every curse to enter into the joy freedom and power of the blessing
