Takeuchi, 2014-04 In *Worldviews and Christian Education* editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism Back Cover

John Locke: The Philosopher as Christian Virtuoso Victor Nuovo, 2017-08-25 Early modern Europe was the birthplace of the modern secular outlook During the seventeenth century nature and human society came to be regarded in purely naturalistic empirical ways and religion was made an object of critical historical study John Locke was a central figure in all these events This study of his philosophical thought shows that these changes did not happen smoothly or without many conflicts of belief Locke in the role of Christian Virtuoso endeavoured to resolve them He was an experimental natural philosopher a proponent of the so called new philosophy a variety of atomism that emerged in early modern Europe But he was also a practising Christian and he professed confidence that the two vocations were not only compatible but mutually sustaining He aspired without compromising his empirical stance to unite the two vocations in a single philosophical endeavour with the aim of producing a system of Christian philosophy

The Christian Advocate, 1905 *Christian Advocate and Journal and Zion's Herald*, 1906 **Divine Scripture in Human Understanding** Joseph K. Gordon, 2019-03-15 In six closely reasoned chapters Joseph Gordon presents a detailed account of a Christian doctrine of Scripture in the fullest context of systematic theology *Divine Scripture in Human Understanding* addresses the confusing plurality of contemporary approaches to Christian Scripture both within and outside the academy by articulating a traditionally grounded constructive systematic theology of Christian Scripture Utilizing primarily the methodological resources of Bernard Lonergan and traditional Christian doctrines of Scripture recovered by Henri de Lubac it draws upon achievements in historical critical study of Scripture studies of the material history of Christian Scripture reflection on philosophical hermeneutics and philosophical and theological anthropology and other resources to articulate a unified but open horizon for understanding Christian Scripture today Following an overview of the contemporary situation of Christian Scripture Joseph Gordon identifies intellectual precedents for the work in the writings of Irenaeus Origen and Augustine who all locate Scripture in the economic work of the God to whom it bears witness by interpreting it through the Rule of Faith Subsequent chapters draw on Scripture itself classical sources such as Irenaeus Origen Augustine and Aquinas the fruit of recent studies on the history of Scripture and the work of recent scholars and theologians to provide a contemporary Christian articulation of the divine and human locations of Christian Scripture and the material history and intelligibility and

purpose of Scripture in those locations The resulting constructive position can serve as a heuristic for affirming the achievements of traditional historical critical and contextual readings of Scripture and provides a basis for addressing issues relatively underemphasized by those respective approaches **Christian Advocate** ,1909 The Bible Brian Singer-Towns,2000-09-16 The older teens in your parish want a youth ministry program that exposes them to relevant real world topics in an active engaging way Horizons is an innovative comprehensive approach to religious education Its foundation is teacher led creative learning strategies that give students ample opportunities for discussion reflection and fun Designed for grades 9 12 Horizons utilizes a module system so that you can combine courses and topics to meet the specific needs of your parish Seven core courses set the stage for discussing central and foundational themes Then choose from a wide selection of age appropriate minicourses to round out your curriculum and craft summer courses retreats and youth group activities The Youth Ministry Strategies component features more than 65 creative youth activities to complement the Horizons curriculum And on top of all that Horizons includes outstanding training resources You ll be able to create the most engaging and relevant youth ministry program for senior high that is available anywhere **The Christian Century** ,1924 The Christian Advocate ,1930 **Christian Nation** ,1912 **The China Christian Advocate** ,1914 **Peloubet's Select Notes on the International Bible Lessons for Christian Teaching, Uniform Series** ,1920 **Modern Skepticism** Joseph Barker,1874 **Peloubet's Select Notes on the International Bible Lessons for Christian Living** ,1883 **Record of Christian Work** Alexander McConnell,William Revell Moody,Arthur Percy Fitt,1914 Includes music *The Christian Union* Henry Ward Beecher,1893 *The Congregationalist and Christian World* ,1911 **Northwestern Christian Advocate** ,1904 A Year's Bible Course Charles Herbert Morgan,1928
