Christmas For One:

Year Zero Christmas One Decio Martins de Medeiros, Carlos Fernando Carvalho de Castro, 2024-07-14 The book satisfies some curiosities about our calendar and some events that marked the beginning of year counting Does our calendar known as the Gregorian calendar have a year zero In December of year zero how old was Christ And had Herod already died before year zero as some historians claim How can we prove that our calendar is correct The book confirms the validity of the current calendar based on an unprecedented chronological research conducted in 2016 when it was possible to demonstrate synchronicity with 6 other events including 1 annual 2 specific and 3 millennial ones astronomical in March historical in 70 AD biblical in 2 BC Christian holidays in June and December and the Jewish circumcision ceremony The narrative is fictional but the chronological research is real The narrative tells in a light and enjoyable manner the adventure of Aline Enrico and J lia high school students who with the help of their mentor Gaspen successfully complete their mission to present the results of their research at the end of the school year Their research proves that at the end of year zero of the current calendar Christ was one year old They had crucial support from researcher Jo o Carlos who paved the way The Delineator R.
