

Scene 1: The Angel's Message to Mary

Narrator: Our story begins in a small town called Nazareth. A young woman named Mary lived there with all her heart. One day, something wonderful happened:

(Mary sits quietly, pretending to write a letter. An angel enters, holding a shimmering scroll or star.)

Angel Gabriel: Greetings, Mary! You have been chosen to be the mother of the Son of God.

Mary (surprised but calm): How can this be? I am a virgin.

Angel Gabriel: The Holy Spirit will come upon you, and the power of the Lord will be with you. Nothing is impossible with God.

Mary (smiling): I am the Lord's servant. Whatever He says to me, I will obey.

(Angel exits, and Mary bows her head in prayer.)

Scene 5: The Shepherds and Angels

Narrator: In the fields nearby, shepherds were watching their sheep. Suddenly, the sky lit up with angels!

(Shepherds sit on the ground. Angels enter, carrying gold stars or holding battery-operated candles.)

Angel 1: Don't be afraid! We bring good news of great joy. The Savior is born in Bethlehem.

Angel 2: You will find Him wrapped in cloth and lying in a manger.

(All angels together): Glory to God in the highest!

Shepherds (excited): "Let's go see the baby!"

(Shepherds and angels exit, moving toward the stable.)

Christmas Nativity Play With Narrator:

The Development of Black Theater in America Leslie Catherine Sanders, 1989-08-01 In *The Development of Black Theater in America* Leslie Sanders examines the work of the American black theater's five most productive playwrights: Willis Richardson, Randolph Edmonds, Langston Hughes, LeRoi Jones, and Ed Bullins. Sanders sees the history of black theater as the process of creating a black stage reality while at the same time transforming conventions borrowed from white European culture into forms appropriate to black artists and audiences. The author argues that only when these things were accomplished could the aim of black playwrights often articulated as the realistic portrayal of the Negro be fully realized. This study also examines the changing nature of the dialogue black playwrights have held with the dominant tradition and how that dialogue has shaped their imaginations. Sanders' discussion of Richardson, Edmonds, Hughes, Jones, and Bullins provides a context for approaching the work of other black playwrights such as James Baldwin, Lorraine Hansberry, and Owen Dodson. And her argument provides a concrete way of understanding how the context of a dominant culture influences the artistic imagination of writers not of that culture who must come to terms with its influences and transform it into a vehicle of their own.

For many families, the holiday season is quite frankly unhinged. Whether that involves inappropriately improvised monologues at the children's Christmas pageant, gifts that land someone in the emergency room, or just sitting through the emotional rollercoaster of a Hallmark movie marathon, the holidays are a chaotic and magical time. And nobody knows this better than Danny Pellegrino. For Danny, the holidays are always accompanied by both merriment and mayhem. And like the gay *Ghost of Christmas Past*, he's here to take you on a nostalgic trip through his most festive memories in a collection of stories that are heartfelt, hilarious, and unfortunately true. So grab your favorite winter beverage, snuggle up by the crackling fireplace, and turn up the holiday tunes from the pop diva of your choosing. *The Jolliest Bunch* is a healthy dose of holiday cheer to prepare you for the unhinged season ahead and remind you of the moments that make all the chaos worth it. *Every Season Sacred* Kayla Craig, 2023 What does it look like to live a flourishing, messy, wonderful life together?
