Creation Astronomy Felice Gerwitz, Jill Whitlock, 1995-03-01

Dying to Tell the Truth Jared Bradley, 2015-09-03

This book is a story about my life as a Christian and my struggle in loving my neighbor as myself It is based on a true story about friends family and the people who made a difference in my life It explains how hard it was for me growing up as a Christian and how challenging it was for a young person like me to share my faith with unbelievers Even as a Christian I didnt understand how to fight temptation or depend on Gods grace to survive Rather I was very distant from God and became very depressed because I was not willing to surrender everything in order to follow him Through prayer I learned that my friends were the ones God used to pull me out of my depression My closest friend was always there for me even when life was hard for both of us The important lesson to be learned behind this story is to forgive your neighbor and God will forgive you

Fireflies From Orion - The Poetry of P. Clay Sherrod Clay Sherrod, 2019-01-05

I firmly believe that all people are poets also I think that most poets never write for anyone but themselves Writing poetry will save a bright mind a fortune for you will never need a therapist when you write from your heart The work is highly personal emotional and sinks deep into the very essence of the soul of the writer That being said I hope that you read and enjoy Fireflies From Orion this being a selection composed of over fifty years of my writing prose There are sad poems happy poems spiritual writings emotion evoking words as all poetry should be Fireflies is poetry truly from the heart not written to appease the strictest school of composition not please those with whom iambic pentameter is a requirement along with every line to rhyme you will not find that in Fireflies You will find raw poetry prose of both regular and irregular rhythm words that hopefully will paint pictures and evoke memories in your mind from times long ago now gone
