

CRIMES OF THE HEART

by Beth Henley

WINNER OF THE 1981 PULITZER PRIZE
AND NEW YORK DRAMA CRITICS' CIRCLE AWARD

2 men, 4 women

The scene is Hazelett, Mississippi, where the three Magrath sisters have gathered to await news of the family patriarch, their grandfather, who is living out his last hours in the local hospital. Leroy, the oldest sister, is unmarried at thirty and facing diminishing marital prospects. Meg, the middle sister, who quickly outgrew Hazelett, is back after a failed singing career on the West Coast; while Babe, the youngest, is out on bail after having shot her husband in the stomach. Their troubles, grave and yet, somehow, hilarious, are highlighted by their priggish cousin, Chick, and by the awkward young lawyer who tries to keep Babe out of jail while helpless not to fall in love with her. In the end the play is the story of how its young characters escape the past to seize the future—but the telling is so true and touching and consistently hilarious that it will linger in the mind long after the curtain has descended.

"While this play overflows with infectious high spirits, it is also, unmistakably, the tale of a very troubled family. Such is Miss Henley's prodigious talent that she can serve us pain as though it were a piece of cake."

—The New York Times

"It has heart, wit and a surprisingly easy passion that must carry all before it... it would certainly be a crime for anyone interested in the theatre not to see this play."

—The New York Post

"From time to time a play comes along that restores one's faith in our theatre..."

—New York Magazine

Matthew Charles Roudané, 1996 In the early 1960s two leaders of the New York performance group Living Theatre were asked to define its purpose In this survey of contemporary American drama Matthew C Roudane argues that the response of these two pioneers in experimental theater Julian Beck and Judith Malina goes a long way toward explaining the purpose of all of the rich and varied dramas to appear on the stage since 1960 To increase conscious awareness to stress the sacredness of life to break down the walls African American playwrights Lorraine Hansberry Alice Childress James Baldwin Amiri Baraka women playwrights Marsha Norman Wendy Wasserstein Beth Henley gay playwrights Harvey Fierstein Tony Kushner and others have over the past three and a half decades entreated audiences to acknowledge the persistence of racism sexism homophobia and a host of other societal ills Other playwrights have asked audiences to confront their own mortality Edward Albee their compromised morality David Mamet their unfulfilled American Dream Arthur Miller Sam Shepard and countless others Whatever the particularities of these playwrights personal identities politics of dramatic style they share a willingness to confront uncomfortable truths about the human condition in America since 1960 Ironically it is in their very rebellion

against any number of things American that they identify themselves and their literature as such Roudane takes no scattershot approach to his subject Favoring clusters of themes and the broad sweep of movements to linear chronology he develops a carefully aimed analysis of the work of about two dozen of the hundreds of playwrights whose dramas have since 1960 been performed in every venue from regional and university theaters to Off Off Broadway to Off Broadway to Broadway

Major 20th-century Writers ,1991 **The Plays of Beth Henley** Gene A. Plunka,2014-11-18 Beth Henley s twelve complete plays three of which have been turned into films have achieved worldwide production At age 29 she produced her first full length drama Crimes of the Heart which won a Pulitzer Prize and garnered three Academy Award nominations as a film Her Mississippi upbringing and her penchant for the eccentricities of southern culture however have caused critics to

categorize her writing as a kind of southern gothic folklore inspired by feminist ideology This book the first critical study of Henley s complete plays attempts to dispel the common stereotypes that associate Henley s work with regional drama and sociological treatises It argues instead that Henley can best be perceived as a dramatist who delineates an existential despair manifested in various forms of what Freud calls the modern neurosis The book maintains that Henley s plays must be understood as universal statements about the angst of modern civilization and Henley s characters are assessed in light of Freud s proposition that cultural restrictions create neurotic individuals The introduction provides a brief account of Henley s childhood and career Early chapters summarize the theory of the modern angoisse espoused in Freud s Civilization and Its Discontents while later chapters relate this theory to thematic and stylistic elements of Henley s most popular play Crimes of the Heart as well as Am I Blue The Wake of Jamie Foster The Miss Firecracker Contest The Debutante Ball The Lucky Spot Abundance Signature Control Freaks Revelers L Play and Impossible Marriage
