*Crypto Bros: SDNY v Peraire-Bueno* Matthew Russell Lee, I was covering the trial of the crypto brothers James and Anton Peraire Bueno when the SDNY witness read into the record an email that the brothers father was helping them with the bot I looked over at the father Jaime Peraire who had been in the front row of the courtroom gallery every day even back to the pre trial conferences I covered But there s no talking in the gallery At the lunch break I was down on the eighth floor in front of the cafeteria when the father and mother came down I asked Jaime Peraire if I had heard the prosecutor right The Federal government was in budget shutdown so there was no way to get the exhibits they had been reading from At first Jaime Peraire smiled apologetically like I cannot answer I said I just want to get this right Would I be wrong to report that they read that out in court That is what they read Jaime Peraire said I ran to tweet it out on X and now this book Another platform without notice canceled all my previous books including on SBF Do Kwon and Roman Storm And so this one is here here it is Crypto Bros Part 1
