*Classic Erotica* Monsieur Oscar Wilde, 2007 A sensational assembly of salacious stories selected from the secret shelves of the libraries of libertines long gone gentlemen rakes and roués These pages are patinated with the pulsating passion of vigorous youths willing wenches innocent initiates meddling madames and vicarious voyeurs The passionate participants the actors and actresses of these romances the heroes and heroines of these tales all seem to need little encouragement to indulge in their ribald and riotous recreation Few avenues of amorous adventure and exotic experiment will be left unexplored Here some great and some prudently anonymous authors inspired by inventive imagination and probably personal experience lay out their works of fantasy for your edification     Tramp Lawrence Block, 2021-02-28 TRAMP was first published in 1961 by Nightstand Books under the pen name of Andrew Shaw Here s a taste of the text IT WAS PRECISELY ten o'clock when the alarm went off The clock purchased years ago at a drugstore for not much money made up in volume what it lacked in melody It did not ring exactly it jangled Schoenberg would have been delighted with the twelve tone discordance of the clock For perhaps ten seconds the clock rang without eliciting any response whatsoever Then

dreamily a hand worked its way out from under the bedcovers The hand pawed its way through warm and musty air until it located the rickety night table at the side of the bed The clock was somewhere on top of the night table and the hand searched painstakingly until the clock was found Fingers wound themselves around the clock like tentacles One finger more industrious than the rest succeeded in discovering the little button that would shut off the alarm The button was pressed and the room was plunged once again into silence The hand withdrew found its way once more beneath the blankets and all was as it had been before the atonality of the alarm There was however a slight difference The owner of the hand was awake now Although she tried rather desperately to return to the soft protectiveness of sleep sleep was not to be hers The clock had ruined it The room which had seemed so silent while she slept was now filled with noise Somewhere in the distance a fire engine or ambulance was careening away with its siren wide open The traffic was heavy around the corner on Broadway thick with mid morning trucks A woman shrieked across the courtyard in Spanish The girl sighed Slowly and reluctantly she pushed back the bedcovers Her eyes opened one at a time and she blinked unhappily at the light Sunlight peeped in at her through the hole in the window shade She peeped back at it thought sadly how nice it would be to go back to sleep then sighed again and clambered forth out of the bed She was nude and her bare skin felt slightly clammy from sleep She wrapped herself in a bathrobe slipped her feet into deerskin slippers unbolted her door and walked down the hall to the bathroom which she shared with the other four occupants of the third floor at 253 West 94th Street She switched on the light closed and bolted the bathroom door and removed her bathrobe and slippers setting them down on the footstool along with the towel she had brought with her She turned on the shower and waited nervously until the water was as close to the proper temperature as it ever got Then she stepped into the shower and scrubbed herself diligently he worked the soap all over her body She washed her face high cheekbones full mouth with sensuous lips large eyes and a straight almost Roman nose She washed her shoulders massaged the soap into her high firm large breasts washed belly and thighs and legs She spent a long time in the shower because she found it quite impossible to start a day unless she was as clean as a shower could make her Finally she washed her rich nut brown hair rinsed it thoroughly soaped and rinsed twice more Then she stepped out of the tub and began to dry herself with the towel And here s author Lawrence Block s take on TRAMP I can t say I remember much about TRAMP but then I ve reached an age when it s hard to remember what I had for dinner last night The book like most of my pseudonymous work was written at a time recently examined in A Writer Prepares a memoir of my beginnings as a writer to be released on June 24 2021 I hope you may find A Writer Prepares of interest in the meantime perhaps TRAMP will brighten a couple of hours      *The Way of a Man with a Maid* Anonymous,2021-06-08 The Way of a Man with a Maid 1908 is an erotic novel Published anonymously The Way of a Man with a Maid has long attracted controversy for its graphic depiction of rape abuse and incest and continues to be read today as an important example of popular British erotica of the early twentieth century Alternating between descriptions of sadomasochistic sex the narrator s vindictive interior monologue and a

dark humor woven throughout *The Way of a Man with a Maid* provides insight into the sexual fantasies of men from a bygone era I the man will not take up the time of my readers by detailing the circumstances under which Alice the maid roused in me the desire for vengeance which resulted in the way I adopted and which I am about to relate Suffice it then to say that Alice cruelly and unjustifiably jilted me In my bitterness of spirit I swore that if I ever had an opportunity of getting hold of her I would make her voluptuous person recompense me for my disappointment Casting himself as a sworn enemy of womankind Jack a jaded English gentleman roams the streets in search of women to corrupt As his power grows increasing his circle of accomplices he performs more daring and often more disturbing sexual acts This graphic exploration of taboo torture and desire remains an important text in the history of erotica and obscenity laws pushing the boundaries of Edwardian society while continuing to challenge our own With a beautifully designed cover and professionally typeset manuscript this edition of *The Way of a Man with a Maid* is a classic work of erotica reimagined for modern readers **Forbidden Fruit**

Anonymous, 2015-03-30 The original version of this classic and scandalous work of Victorian erotica originally published in London in 1898 Includes *Forbidden fruit* a luscious and exciting story and *More forbidden fruit* or Master Percy's progress in and beyond the domestic circle Very much the *50 Shades of Grey* of its era *Forbidden Fruit* probes beneath the respectable surface of Victorian society to reveal a seamy underside rarely seen in the literature of its day More than a century after its publication *Forbidden Fruit* continues to attract controversy and excitement in equal measure **Lust Weekend** Lawrence

Block, 2021-03-27 Lawrence Block on *Lust Weekend* *LUST WEEKEND* was written in 1962 and published that same year by Nightstand Books The title's an obvious play on *THE LOST WEEKEND* Charles Jackson's groundbreaking novel of alcoholism The book was a sensation as was the film adaptation starring Ray Milland The people at Nightstand generally changed the titles on my manuscripts But *LUST WEEKEND* made the cut and I'm sure I came up with the title first and wrote the book to fit *Lust* was a favorite word at Nightstand where they wanted to excite the readers without alarming the censors *Lust* and *slut* were favorites I gave one book the can't miss title *LUST SLUT* but they changed it Go figure A confession in the ordinary course of things I don't read these early titles before reissuing them in the *Collection of Classic Erotica* Like most writers I find it difficult to look back at my earliest work But in this case I had absolutely no recollection of the book although a glance at the very first page made it clear that it was unquestionably my work I was pretty sure it all took place in the course of a single turbulent weekend that much was implicit in the title and again the first page confirmed my suspicion But I read on because I have to admit I liked the writing Really what's not to like Between the hours of four and five Friday afternoon Jordan Flagg sat behind a free form desk and jotted notes and numbers on sheets of yellow manila paper The desk was Scandinavian and in recent years the Scandinavians had developed a penchant for taking a perfectly ordinary garden variety sort of thing like a desk and designing it in the approximate inglorious shape of a kidney Jordan Flagg's desk looked like a kidney The wood was well polished walnut that glowed like plastic and the whole desk itself was so determinedly graceful

that it looked as though it were capable of dancing Jordan Flagg liked the desk Flagg liked things to be modern Although he never found time to go to a museum or to browse in galleries he was an ardent fan of modern art He read only recently published books went only to first run movies and pretty much stuck to tastes and pursuits which if not actually futuristic were at least determinedly up to date The kidney shaped desk reflected this So did the Bigelow on the floor the title on the door the close cropped crewcut on his head the heavy horn rimmed glasses the natural shoulder suit the ultra slim attach case the architect designed contemporary home in Fairfield County the clean hands with their manicured nails the nerve on his forehead with its slight tendency to twitch and so on and so on and so on Jordan Flagg was modern Period I read on and the narrative moved from one character to another and before I knew it hooker named Lily Merriman was quoting a parody of Longfellow s poem about the village blacksmith Under the spreading chestnut treeThe village idiot satAmusing himself by abusing himselfAnd catching the drops in his hat Now I didn t make that up nor do I remember who did but I suspect it s almost as venerable as the original But to my utter astonishment that s not how it reads in Nightstand s edition where it goes like so Under the spreading chestnut treeThe village idiot satAmusing himself by abusing himselfAnd singing a quarter tone flat I can but guess that a Nightstand editor worried that any reference to ejaculation would rouse a censor from his long sleep But what a creative solution It rhymes it scans and if it doesn t make a great deal of sense well it comes close enough I wonder who made the substitution leaving it to me to discover his work 60 years later Nightstand was the creature of Bill Hamling who had grown up in science fiction at one time or another his staff included such SF types as Earl Kemp Algis Budrys and Harlan Ellison You know what I bet it was Harlan     The Sin-Damned Lawrence Block,2021-09-18 Lawrence Block reports THE SIN DAMNED was one of the early Andrew Shaw titles published by Nightstand Books in sometime in 1960 The cover like that of many of its contemporaries is the work of Harold W McCauley While I can recognize the text as my work I can t claim to recall writing it Every day the great hoard of things I don t remember grows incrementally larger and writing this novel has long since been a part of it I do know though that someone else supplied the title probably some editor in publisher Bill Hamling s employ It could have been Harlan Ellison or Algis Budrys or perhaps it was the janitor In any event when the publisher reissued the book in the early 1970s it bore a different title The Switchers And now you know as much about THE SIN DAMNED as I do     **Erotica (Classic Reprint)** Arthur Clark Kennedy,2018-01-29 Excerpt from Erotica Lo all her body clothed with love Meet for the kisses of a King My lady cometh and the spring Scatters its sweetness from above Through gates of horn she issueth Down pathways of the land of dreams Her footsteps softly fall she seems Re risen from the hand of death About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in

**Venus Butterfly** F. Perez, Professor James Jennings, 1989 From orphan to mistress to courtesan this is the story of a fabled young woman whose unusual skill in the art of love brought her fame and fortune in the flourishing brothels of Japan s most famous of pleasure A classic of Japanese erotica      **Teleny** Anonymous, 2021-08-10 Teleny 1893 is an erotic novel published anonymously yet often attributed to Irish playwright Oscar Wilde Considered one of the first works of fiction to openly depict homosexuality Teleny is the story of Camille Des Grieux s sexual awakening the obstacles he faces from society as a gay man and the passionate moments shared between lovers from all walks of life As I listened to his playing I was spell bound yet I could hardly tell whether it was with the composition the execution or the player himself At the same time the strangest visions began to float before my eyes First I saw the Alhambra in all the luxuriant loveliness of its Moorish masonry those sumptuous symphonies of stones and bricks so like the flourishes of those quaint Gipsy melodies Then a smouldering unknown fire began to kindle itself within my breast At a concert with his mother Camille Des Grieux finds himself fiercely attracted to the young man on stage the brilliant Hungarian pianist Teleny As their eyes meet for the first time Camille knows they are meant to be together Despite the restrictions placed on gay men despite the stories he has heard of Teleny as an unfaithful lover Camille introduces himself Filled with heated scenes of romance between its insatiable cast of characters Teleny is an erotic novel that continues to entertain shock and surprise over a century after it was published With a beautifully designed cover and professionally typeset manuscript this edition of Teleny is a classic work of Victorian erotica reimagined for modern readers
