

## Budget 101 for School Fundraising Groups

Preparing and having the board or membership approve an annual budget and program plan is one of the most important legal responsibilities of nonprofit groups. A parent-led fundraising group budget may be fairly simple, setting forth the main sources of income, and the expected amounts for each, and the main categories of expenses and amounts of each. Reports should be prepared regularly throughout the year that show actual income and expenses compared to the budget. For example, a simple school fundraising group budget might look like the following:
