Baptist Deacon Ordination Guide:

The Deacon Ministry Handbook Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward they will likely point to the serving work of the deacon These special men are the foundation of healthy churches because of their unique servant leadership role no matter the church size Typically they visit the homebound and the sick as they care and pray for those in need Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does but it does not equate to understanding what a deacon is Through this book Alan Witham Steve Rice and their teammates bring clarity to the role of deacon by providing a practical guide that serves as *The Deacon Ministry Handbook* The authors bring decades of local church experience having served as deacons pastors and consultants **Deacon Training** Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons **Guide for Deacons** Bob Puhala, Paul Turner, 2011

International Handbook of Ecumenical Diakonia Godwin Ampony, Martin Büscher, Beate Hofmann, 2021-08-10 This book was developed to join key resources on biblical theological foundations regional and confessional expressions new themes trends educational approaches and curriculum models for diakonia and Christian social services which can enrich current training courses and widen the horizon by inter contextual and inter cultural perspectives **Women Deacons and Deaconesses** Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons **Deacons** Henry Webb, 2001-10-01 After nineteen years in print and over 200 000 copies sold Broadman Holman is publishing an updated edition of *Deacons* *Servant Models in the Church* Henry Webb deals with every aspect of the roles and offices of deacons in the church including the deacon's marriage wife children family life conduct priorities and other pertinent aspects of deacons as role models of servant leadership in the church **A Guide to the Study of Church History** William Joseph McGlothlin, 1908 **Southern Baptist Periodical**
