Bartender's Training Manual and Recipe Guide* Robb Graham, 2009 A Bartender's Guide to the World Lauren Mote, James
O. Fraioli, 2022-10-25 Transport your glass around the globe with more than 75 cocktail recipes from one of the world's
premier bartenders Grab your glass and let's go For over 20 years Lauren Mote has tended bars and traveled the world often
as one of the only women in a male dominated industry She's developed cocktail recipes sought out new ingredients and
gathered stories along the way Now in her first book Lauren is inviting readers and home bartenders to pack their suitcases
and come with her on an international cocktail adventure Few bartenders can match Lauren's encyclopedic knowledge of
spirits liqueurs and tinctures not to mention her originality for blending them into a perfectly balanced drink Once you've
gotten a handle on the basics of bartending and gathered your cocktail shaker along with a few other pieces of equipment
you'll be raising your glass in no time The recipes are organized by their star ingredients such as agave gin whiskey rum
vodka and more Every drink is given its own designation of standard mid low or zero proof and you'll find a whole chapter on
nonalcoholic cocktails because Lauren feels strongly that all drinks should be prepared with care whether they include
alcohol or not Once you've narrowed down the base that you're in the mood for let Lauren's magnetic storytelling and gift of
the gab continue to guide you In each chapter you'll find a collection of Mise en Place Recipes to help you build up your bar's
basic ingredients and make Lauren's techniques your own With beautiful storytelling and photography and cocktail recipes
