bananas if a fan catches a foul ball it's an out and players might go to bat on stilts or wearing a banana costume And their fans absolutely love it But the reason this team is on the forefront of a movement is less about the play on the field and more about the atmosphere that the team culture creates For the first time in this book Jesse reveals the ideas and experiences that allowed him to reimagine America's oldest sport by creating a phenomenon that is helping fans fall in love with the game all over again This is a story that's bigger than baseball and bigger than the yellow tuxedo Jesse wears as the ringmaster of every game And to understand the movement you have to understand the story at its core In Jesse's telling it takes heart innovation and joy and a bit of tropical fruit to make something wholly original out of one of America's great traditions His story is part Moneyball part Field of Dreams part The Greatest Showman It is a personal story a creativity story and the story of a business scrapping for every success And it has several distinct love stories love stories like Jesse and his father Jesse and his wife the team and the sport of baseball the team and the fans This is Jesse calling his dad from the outfield after each Bananas game and putting unending creativity into a team with the ultimate goal of bringing the Bananas to the professional ballparks he himself never got to play in This is his story of baseball love leadership and going just a bit bananas for all
