Case Studies in Internal Auditing Victor Z. Brink, Mortimer Dittenhofer, 1994-01-01 Internal Auditor's Role in Lebanese Banks Elie F. Raii, 2013 In the repercussion of financial scandals that lead to the failure of major global companies such as Enron in 2001 WorldCom Parmalat and Nortel in 2002 investors became more skeptical about the reliability of controls within companies and less dependent on auditing and credit rating firms to provide them with an attestation on the accuracy of the company s financial reports and on the reliability of controls within these firms in particular banks The Financial Accounting Standard Board FASB recognizes that internal auditors in addition to being responsible for monitoring

the control system of their companies they have a critical role in the financial reporting process and in establishing more effective corporate governance practices Salierno 2007 Regarding the banking sector internal auditors are in effect forced to closely monitor the bank s financial flows Their major challenge is to achieve a dynamic and proactive management of risks within a continuous improvement process The significance of internal auditors in the banking sector drew our interest to conduct an empirical research to examine the relationship between the internal audit function IAF in Lebanese banks and its effect on the quality of financial reporting This study included internal auditors functions the coordination between internal and external auditors and its effect on financial reporting A questionnaire was submitted by email to head of internal audit departments in 21 Lebanese commercial banks operating in Lebanon Information was analyzed to check how internal auditors can affect the quality of financial reporting and whether there is a relationship between these two functions The information treated resulted in the following implication Greater collaboration between internal and external auditors in annual audit in Lebanese banks leads to high quality financial reporting The involvement of internal auditors in overseeing the accuracy of the accounting and financial reporting in Lebanese banks improve the quality of financial reporting
