Davenport, Nitin Mittal, 2023-01-24 A Wall Street Journal bestseller A Publisher's Weekly bestseller A fascinating look at the trailblazing companies using artificial intelligence to create new competitive advantage from the author of the business classic Competing on Analytics and the head of Deloitte's US AI practice Though most organizations are placing modest bets on artificial intelligence there is a world class group of companies that are going all in on the technology and radically transforming their products processes strategies customer relationships and cultures Though these organizations represent less than 1 percent of large companies they are all high performers in their industries They have better business models make better decisions have better relationships with their customers offer better products and services and command higher prices Written by bestselling author Tom Davenport and Deloitte's Nitin Mittal All In on AI looks at artificial intelligence at its cutting edge from the viewpoint of established companies like Anthem Ping An Airbus and Capital One Filled with insights strategies and best practices All In on AI also provides leaders and their teams with the information they need to help their own companies take AI to the next level If you're curious about the next phase in the implementation of artificial intelligence within companies or if you're looking to adopt this powerful technology in a more robust way yourself All In on AI will give you a rare inside look at what the leading adopters are doing while providing you with the tools to put AI at the core of everything you do Delinquent Elena Botella, 2022-10-11 The time before the debt machine How the machine was built The debtor class A broken net The quickest levers Divergent A fair deal The last frontier

Transformational lending Appendix A About my research process Appendix B Advice for consumers

How British Rule Changed India's Economy Tirthankar Roy, 2019-05-18 This Palgrave Pivot revisits the topic of how British colonialism moulded work and life in India and what kind of legacy it left behind Did British rule lead to India's impoverishment economic disruption and famine Under British rule evidence suggests there were beneficial improvements with an eventual rise in life expectancy and an increase in wealth for some sectors of the population and economy notably for much business and industry Yet many poor people suffered badly with agricultural stagnation and an underfunded government who were too small to effect general improvements In this book Roy explains the paradoxical combination of wealth and poverty looking at both sides of nineteenth century capitalism Between 1850 and 1930 India was engaged in a globalization process not unlike the one it has seen since the 1990s The difference between these two times is that much of the region was under British colonial rule during the first episode while it was an independent nation state during the second Roy's narrative has a contemporary relevance for emerging economies where again globalization has unleashed extraordinary levels of capitalistic energy while leaving many livelihoods poor stagnant and discontented HBR Guides to Being an Effective Manager Collection (5 Books) (HBR Guide Series) Harvard Business Review, Bryan A. Garner, Nancy Duarte, 2017-11-14 Master the most critical professional skills with this five volume set that covers topics from personal effectiveness to leading others This specially priced collection includes books from the HBR Guide series on the topics of Getting the Right Work Done Better Business Writing Persuasive Presentations Making Every Meeting Matter and Project Management You'll learn how to Prioritize and stay focused Overcome procrastination Conquer email overload Push past writer's block Create powerful visuals Establish credibility with tough audiences Moderate lively conversations and regain control of wayward meetings Build a strong project team Create a realistic schedule and stay on track Manage stakeholders' expectations Arm yourself with the advice you need to succeed on the job with the most trusted brand in business Packed with how-to essentials from leading experts the HBR Guides provide smart answers to your most pressing work challenges

Crack the Funding Code Judy Robinett, 2019-02-05 Crack the Funding Code demystifies the world of angel investing venture capital and corporate funding and lays out a strategic pathway for any entrepreneur to secure funding fast Lack of funding is one of the biggest reasons small businesses fail In 2016 in the United States alone more than 31 percent of small business owners reported that they could not access adequate capital and the lack of capital prevented them from growing the business expanding operations increasing inventory or financing increased sales This book will show you how to find the money create pitches that attract investors and then structure fair ethical deals that will bring them new sources of outside capital and invaluable professional advice Crack the Funding Code gives you the broader perspective on how funding works how investors think and what they need to hear to put their money where your mouth is Every entrepreneur who reads this book will get easy to follow deal checklists a roadmap of where and how to locate the best funding resources and top business mentors for their

industry or geographical location and a step by step process to create pitches that make their idea or business irresistible
