opening with that story wasn't to add to the mythology of Jim Grant Lee Child or to help him sell more books. He seems to be doing okay without my assistance. What I wanted to emphasise was the writer's basic tools: pads of paper, a pencil, a pencil sharpener, an eraser. That really is all you need. And it's all writers have needed for centuries. You don't need a new laptop with terabytes of disk space and monitor large enough to be seen from the Moon. All you need is 3.99's worth of supplies. About 5 in the US. If you have a typewriter, great. A computer's even better. But neither of those things are essential. All you really need is some method of recording your thoughts. A pencil and paper work fine. Just ask Lee Child. **Write Your Best Book Now!** Earma Brown, 2009-08-29. Do you have expert knowledge to share? Have you considered putting it in a non-fiction book? How To Easily Write A Best Selling Ebook. Congratulations! You have taken the first step towards your goal of writing your first ebook or a best-selling ebook. You no doubt have had the thoughts in your head about a specialized subject that you believe yourself to be an authority on. Now you want to put it in written form so that everyone can read your thoughts and views. You wish to write a book or an ebook. Writing ebooks is a wonderful process for the simple reason that it can be very lucrative and make money for the author for years to come. Ebooks, unlike hard copy books, can be sold globally, yes, world over, to all that have access to the internet. It also offers fledgling or newbie authors the option to use an alternative means of transport to get into the publishing industry. In years past, it was a major task to do so. Oftentimes, a writer, after spending many long months or even years completing a project, found rejection upon attempting to submit the project to an agent, agency, or publishing company. However, with the ability to write ebooks, the power and option is now given to the writer and author to choose how they wish to publish their work in its final form. It is to be noted, though, that all projects are not successful. So it should go without saying that not every book written will be a best seller. But however it turns out, you will have accomplished a major feat and can then say, "I did it." **Write Your Book** Amelia Nikolai, Pete Nikolai, 2014-05-08.
