If you really want to get your book published by a big company, self-publishing can help you get there. It's like using a trampoline to jump higher. If you show that lots of people like your book by selling it yourself, it can make it easier to get a book deal with a big publisher. This is especially true if it's your first time writing a book.

Bard

Big computers can write code, but they can only do simple things like translate words into code or check code for mistakes. They are still learning, and maybe someday they will be able to do more complicated things.

Claude

If you want a big publishing company to put out your book someday, self-publishing it first can help. By putting your book out yourself, you can show that lots of people want to buy it. This makes publishers more interested in your book, especially if you've never had a book published before. So self-publishing now can help you get your book published by a big company later!
