**The Beginner Writer** Geetanjali Mukherjee, 2020-09-18 Review The Beginner Writer How to write and finish your first book is a great place for the new writer to start and offers plenty of reminders and refreshers for those further into their craft A valuable resource Sarah Jackson book blogger People often say I wish I had the time to write a book I wish I could take six months off to write or I don't have the discipline Many people want to write and have ideas they would like to express but are intimidated by the process by thinking that it is too hard or that they don't have the requisite talent or think they don't have enough time to fit writing into their already packed schedule If you would like to write a book but don't know how to start are bewildered about the specifics or don't even know if you should contemplate writing this book is for you There are many reasons to write a book Some people want to write a book for the same reason that others decide to climb a mountain or join an Ironman competition it is a challenge and you feel a sense of achievement when you have completed it Maybe you would like to be able to tell your peers that you wrote a book Or you want to become a speaker or consultant and writing a book on your method or ideas will give you added credibility Perhaps you would like to write a book for your grandchildren telling them what it was like to live through the Vietnam war or the historic era of Obama's presidency or the global pandemic Maybe you want to ensure that your family's favorite recipes are

recorded for posterity Whatever the reason if you have always wanted to write a book but didn't think that you could do it or didn't know how to go about it this book will help you get from the blank page to a finished book What do I cover The basics of writing a book whether it is non fiction or a novel from getting the initial idea to writing a first draft all the way to a finished book I cover how to find time to write dealing with writer's block and editing If you have wanted to write a book for years but did not know where to start this book will give you the tools to finally have a completed book that you can hold in your hands I wrote this book to share my insights with others who may be struggling with putting pen to paper I know what it's like to want so desperately to have the courage to follow a dream but not know how to take the first step towards it I still remember what it feels like not to believe in yourself Not to think that you can do it That you have what it takes Or that you can keep going for the length of time it takes to write and edit an entire book I want to show you how to finally finish writing your book To show you that you can take your dream from I wish to I did
