**Beat the Craps Out of the Casinos** Frank Scoblete, 2005-04-25 *Beat the Craps Out of the Casinos* is the number one best selling craps title of all time And now this classic title has been completely updated for those gamblers who want to figure out how to beat the house Until now craps has been considered an unbeatable casino game because the house has the edge on every bet *Beat the Craps Out of the Casinos* changes all that by introducing you to the Supersystem

*How to Play Craps* Travis Carpagio, 2015-06-08 The craps table is often the most prominent installment in the casino It's big it's fun and the players are generally pretty loud as they cheer with excitement Usually manned by four casino staff members known as the boxman the stickman and two dealers a craps table is busy as it hosts a swarm of simultaneous activity Although it's clear that the craps table is an enticing place to be the actual layout of the available bets and betting combinations on the table may alarm newbies with its apparent complexity Craps has the largest variety of betting options among all other casino games And since craps also hosts the largest number of betting decisions per hour the craps table is usually stocked with the largest bankroll you'll find in the casino The good news is this Even if the craps table looks intimidating the game is in reality actually quite simple and this book is going to explain everything you need to know in an easy to understand way In fact if you stick to specific types of bets in craps while avoiding the others then you'll end up with the best gambling odds available in the entire casino The important thing to remember is that the craps table is swarming with bad betting options so it's critical that you know what to play and when This book provides a step by step breakdown of the game including the basic rules and playing sequence so that newcomers such as yourself will feel completely at home at the craps table You'll learn the meaning of all the fancy craps terminology you'll get to know the best bets and you'll learn lots of other craps strategies along the way

*John Patrick's Craps* John Patrick, 2006-10 In this comprehensive guide John Patrick provides beginners and experts alike with specific easy to learn approaches to mastering the complexities of the craps table John Patrick's *Craps* covers the Big 4

Bankroll Knowledge Money Management and Discipline the keys of his winning program and how to master and use them to become a consistent winner In his unique easy going style Patrick walks readers through the right moves for every situation in craps as well as the most common mistakes players make which cost them their winnings [Casino Craps for Complete Beginners](#) Robert Ticker, 2021-01-18 Learning how to play craps isn't as difficult as you might think People are often steered away from playing the game because they think it's too complex but the only particularly complicated aspect is all the different types of bets that can be placed You don't actually need to learn all of them to start playing and you can just stick to the simplest ones if you like You do however need to understand how the game is played This article will help as we cover everything you need to know to play craps in a live casino or online We explain the main objective of the game the craps table the betting layout and the basic rules We also introduce the different types of bets The main objective in craps is really quite straightforward Basically you are just betting on the outcome of the roll of two dice Craps is pure chance since you can't affect the outcome in any way but you do have the choice of several wagers The majority of these wagers are ultimately based on what combination of dice will be rolled The goal in craps is therefore to try to correctly predict which numbers will come up on the next roll This is of course guesswork but it doesn't stop the game being a lot of fun Get your copy today by scrolling up and clicking Buy Now to get your copy today
