In Genesis 3:1 the serpent asked the woman Did God really say You can't eat from any tree in the garden What has God really said Before we can obey Him we must know what He has said The Psalmist prayed twice in his affliction Give me life through Your word Ps 119:25-107 When Jesus was afflicted by the Devil in the wilderness Mt 4:1-11 He defended Himself with the sword of the Spirit Eph 6:17 God's Word But Christians must know what God has said if we are to find strength and healing from affliction and defense against the Devil Bible translation is not a casual enterprise because it involves bringing the life saving Word of God to people in their own language And selecting a Bible translation is not on the order of picking out a sweater It's more like picking a doctor someone you can trust This book is about how Bible translation is done And it commends a particular translation the Holman Christian Standard Bible HCSB as a trustworthy guide to what God has really said

The problem with books Bible or a Holy Book Holy Bible written by Bronze and Iron Age peoples which become doctrines and dogma to live by is that much of what is written is not needed due to its ancient and no longer valid claims They require much apologetic defenses to justify them In these types of defenses of the absurd logical fallacies get thrown around and usually not questioned Well this book Bible is a solution This is a Better Bible Version which leaves out all the superstition supernaturalism myths legends fables and fantasies but leaves in the rational reasonable and practical It leaves out the prejudice segregationist and discriminatory passages It is a family friendly and cleaner version without the absurd stories This version takes from the 1611 King James Version and rewrites Genesis to the known scientific facts and theories of the 21st century You can feel good about reading it to children or having your student use it for science or just read it as a reminder of all the good things reality has to offer It is a universally humanistic approach to promote a better world No one ought to have an issue with the simple and clear message it presents This is the bible that every secular community ought to have and every fundamental faith based religion ought to be afraid of

What is the best Bible Because of the myriad of Bible translations Christians have wondered Against much popular opinion we defend the following Dynamic thought for thought translations NIV NLT are superior to more literal word for word translations NASB ESV More literal Bible translations often fail in a critical part of accurate translation producing good contemporary English The criticisms of even great men like John Piper John MacArthur and J I Packer against dynamic Bible translations are either exaggerations errors and or even slanderous against the word of God When a Scripture writer is addressing all Christians it is a good thing to translate the meaning as brothers and sisters instead of just brothers The updated NIV is the overall best translation the NLT a very good one and the ESV an unnecessary one We also provide a chapter offering some suggestions and commentary regarding the best tools for studying and
