The Better Business Bureau Murders Frank W. Dressler, 2000-12 The lives of Ben Pierce President of the Philadelphia Better Business Bureau and Kate Flaherty Philadelphia homicide detective become intertwined after the murder of Bill Rose Philadelphia's most famous public prosecutor Rose for years the top prosecutor in the Philadelphia DA's office and now a post retirement employee of the BBB is found shot dead in his office Who did it A murderer he prosecuted A Philadelphia roofer whose BBB membership he terminated An old lover A Jew hater The pursuit of the murderer leads to a shattering and surprising conclusion and to the possible start of a romantic relationship between Pierce and Flaherty **Fraud** Edward J. Balleisen, 2018-12-18 A comprehensive history of fraud in America from the early nineteenth century to the subprime mortgage crisis In America fraud has always been a key feature of business and the national worship of entrepreneurial freedom complicates the task of distinguishing salesmanship from deceit In this sweeping narrative Edward Balleisen traces the history of fraud in America and the evolving efforts to combat it from the age of P T Barnum through the eras of Charles Ponzi and Bernie Madoff This unprecedented account describes the slow piecemeal construction of modern institutions to protect consumers and investors from the Gilded Age through the New Deal and the Great Society It concludes with the more recent era of deregulation which has brought with it a spate of costly frauds including corporate accounting scandals and the mortgage marketing debacle By tracing how Americans have struggled to foster a vibrant economy without encouraging a corrosive level of cheating Fraud reminds us that American capitalism rests on an uneasy foundation of social trust
