[A Survival Guide to Home Cooking](#) Paul S. Shaw, 2021-05-24 This is a survival guide to home cooking. The recipes are modular and can be used in a mix and match manner. I will give you the very best tips along the way. The recipes themselves are scalable and can be used to feed two or fifty, and every number in between; they will still work in the same way. The measurements and quantities in the recipes will

feed 2-4 people depending on your appetite I will also give examples as to how various dishes can be put together to complement each other In the same way some of the dishes are suitable for vegetarians Again these will be identified throughout the book along with alternatives that can make the dish suitable for vegetarians In an ever changing world this type of diet is becoming very popular This is not a book of big glossy pictures of dishes that most people are never going to create But recipes that are all workable within a basic domestic kitchen and with basic equipment The ingredients needed are also easy to find and are well within the budget of most people I hope you enjoy using the book and create some great meals The 150 recipes mixed together can produce over 200 dishes The Big Book of Breakfast Maryana
