Blemished but Not Broken Kay Kinsley Adams, 2017-02-03 Growing up with a parent who suffers from a mental illness can be both challenging and confusing and this is my story of experiencing the various adventures of living a daily life with a mother whose mental health provided a consistent source of both humor and heartache Along the way you'll also understand how my being the victim of a traumatic childhood event affected me leading to a life that has been filled with trials and tribulations as well as a lifelong struggle to overcome the dynamics of a dysfunctional family From page to page you'll see into relationships of all types and how they relate to a blemished past For me guidance along the way was slim as I worked to surmount the difficulties I encountered in life but my story is one of gaining the courage and the strength to find my voice even as I learned to speak out against present and future injustices Life's lessons are harsh and the road map is not clearly outlined Yet you'll see how I found my way forward and you'll ideally find some guidance and understanding related to your own world as you read of how I fought against the darkness which sought to envelop me and how I struggled to overcome the challenge of being the daughter of someone with a mental illness Travel with me on my journey through life as it is filled with tears and laughter I am Kay and this is my story
