A Party To Remember: Kimmy was going to the office party alone. Her husband was supposed to be there with her, but as usual, he didn't turn up. It wasn't surprising; their marriage was on the rocks anyway. Talk about a dead bedroom and thoughts of divorce: Kim expects this to be another boring run of the mill party. She's going to sip a little wine, make a little inane small talk, and then go home thinking it was all one big waste of time. What she never expected was to lock eyes with a woman and feel utterly drawn to her. What she never expected was to find herself fantasizing about this woman in private ways. And what she certainly never expected was to be taken by this woman and shown a whole new side of her, something she never thought she had in her. Kimmy never would have guessed that she would love being loved by another woman.

A Ride To Remember: Emma never expected to be ditched by her rotten boyfriend, stranded in the middle of nowhere while on their way to New Orleans. But here she was, alone and in need of help. And then she saw Dee. The woman rode in on her motorbike, oozing sexuality and dark promises. The woman offered her a ride, and with no other options, Emma accepted. What Emma didn't know was that this would be a ride to remember. She never expected the woman to reach backward with a hand while still on the bike. She never expected the woman's fingers to rub up against her most private place. She never expected the woman to bring her to white-hot completion. It was just supposed to be an

innocent ride on the back of a motorcycle Instead Emma discovered a brand new side of herself for the very first time A Rose To Remember The very first time I met her Rose sent a heat rushing to my center She had a way about her a grace and beauty and God if she wasn't sexy as sin I was inexperienced innocent I didn't know love I didn't understand lust Until her Until Rose She took me under her arm She taught me new things new things about myself New things about pleasure We danced naked in the rain We devoured one another into ecstasy This is the story of me and Rose Of my very first time Of my very first woman

Seduced at the Spa (First Time Lesbian Erotica) Kylie Ashcroft, 2013-11-24 Mel is overwhelmed by work and stress when she agrees to a spa day with her openly bi sexual friend Kandi After their massage they decide to spend sometime in the sauna While they relax Kandi suggests Mel let her inhibitions go and try dating women for once Before Mel realizes what s happening her best friend is putting the moves on her Will Mel try something new or let her assumptions get in the way of a truly relaxing spa trip This 6700 word short story is for adults only and contains explicit language including sexual situations

EXCERPT Well have you thought about trying girls I opened my eyes and looked over at Kandi Her legs were spread slightly but I couldn't see anything under her towel She was watching me a curiosity twinkling in her eyes I'm not interested in that Have you thought about it at all I shrugged feeling uncomfortable under Kandi's unwavering gaze I'm just not interested You know that I'm being serious she said Have you ever tried it With a woman No of course not Kandi you know I'm straight I said the same thing for years Years And then one night I let my inhibitions go She moved in her seat like she was dancing and swaying to unheard music her towel pulling apart a bit over her legs I've never looked back You shouldn't limit yourself If you haven't tried it haven't even entertained the idea then how do you know you're not interested Hm I just know okay It's just one of those things that you know Sure Kandi looked me up and down as if she was trying to scan my body and uncover all of my secrets Have you ever found a woman attractive No I've told you Stop reacting with your preconceived notions and have a real conversation with me I closed my mouth suddenly feeling frustrated Why was she pushing the subject so much What did she want Have you ever looked at a woman and admired her hair her legs her curves She raised her eyebrows like she knew a secret like she'd sensed me looking at her body today I kept my eyes locked on hers and shrugged Sure I guess I mean I can objectively tell when a woman is attractive Of course objectively She rolled her eyes and stood closing the distance between us and taking a seat next to me The floral scent of the massage oil emanated from her skin with a slight tang of salty sweat Have you ever looked at a woman and wondered what it would be like to touch her or have her touch you No Hm she looked me up and down and crossed her legs inadvertently hiking her towel open dangerously close to her crotch I still think you should try it being with a woman I mean Just a little bit Maybe just some kissing to see how you feel I laughed and shook my head So if I kiss a couple girls and decide I don't like it then you'll leave me alone and accept that I'm straight Kandi leaned towards me Not necessarily a couple girls I think one could suffice especially if it's the right one The right one What like a lesbian soulmate No of course not I'm not some romantic I mean a woman who knows how to handle another woman who isn't confused or experimenting Someone who knows herself as well Oh okay And where do I find someone like that It's not as hard as you think Kandi reach out and lightly place her hand on my thigh just below the edge of my towel My heart started pounding as I realized what's happening Kandi C'mon Mel Open your mind You're closing yourself off limiting yourself from so many possibilities Just take a chance you have nothing to lose *Bound Sarah Pain,101-01-01*
