Checking Him Out For The Holidays:

Two By Two Debbie McGowan, 2015-03-31 Two pregnancies two babies two troubled teens Two psychologists hunting down the leader of a deadly cult When Libby takes a stand against her abusive parents Josh and George readily make her a part of their family However her parents may have been involved in something altogether more sinister and now The Circle must draw together to protect both Libby and her friend Adam Meanwhile two unexpected guests seek sanctuary in Shaunna and Andy's new home but that's only a part of it and they soon realise something is very wrong Someone is watching them All this and more in Two By Two Season Six of Hiding Behind The Couch This instalment follows chronologically from the Christmas novellas A Midnight Clear and Red Hot Christmas The story continues in Those Jeffries Boys WARNING this story includes themes of child abuse ritual child abuse domestic violence drug dependency suicide suicide ideation dissociative PTSD and an instance of animal abuse While these are not gratuitously depicted some scenes include moderately graphic detail

Where the Grass is Greener Debbie McGowan, Raine O'Tierney, 2015-09-28 Mistakes were made that's for sure But was it the night of passion Or walking away afterward That's the question Seamus Williams must face when he gets a late night phone call from someone he never expects to hear from again I miss you Shay Chancey Bo Clearwater is a cowboy through and through He spends his days finding work on whatever ranch will take him and his nights at the pool hall He's always done what needed doing and never thought much about what he wanted Til that drunken night with Seamus A world of problems now stand between Seamus and Chancey exploring what might have been the least of which being the Atlantic Ocean On one side there's Chancey's daughter who mood swings from angel to demon in two seconds flat on the other there's the new lodger hogging Shay's telly and his cornflakes and making private Skype time hard to come by Is this relationship doomed before it ever begins Or can a surprise announcement from Seamus's brother be enough to help the two find their second chance Where the Grass is Greener is book two of the Seeds of Tyrone Series but can be read independently of the first novel

Breakfast at Cordelia's Aquarium Debbie McGowan, 2015-04-05 This is a very short fun interlude in the Hiding Behind The Couch series Unlike the rest of the series which is written in third person semi omniscient past tense this short story is written in first person present tense It has no real bearing on anything else that happens in the series It is what it is an Easter Egg It is entirely self indulgent for which I make no apologies Deb NOTE this story should be read after Reunions Season Seven
