Cheer Squad Congratulations Letter:

A Ray of Hope Ebony Aiken, 2015-01-15 Fifteen year old Essence Imani Harris can't believe it. Her parents have both been called to a fifteen month military deployment to fight the war in Afghanistan. She, her older brother and younger sister must leave their home and friends in San Antonio Texas to live with their aunt and uncle in Mississippi. Essence, nicknamed CeCe, wrestles with this change and the physical separation from both parents. After moving in with their aunt and uncle, the siblings begin to build lives for themselves in Mississippi. CeCe learns her aunt may be infertile and the couple desperately wants children of their own. This situation creates stress for all in the household. CeCe holds things together, overcoming the stress and tension through her faith and examples from her mother and her aunt. Recognizing where she is and not knowing what lies ahead, CeCe re-commits her life to Christ and she is tested by life's trials. Seemingly the gates of hell open and CeCe deals with death, loss, and some of her deepest fears. During this trying period, she bonds with her aunt's parents who become surrogate grandparents to CeCe and her siblings. An answer to prayer, CeCe's new grandparents help keep the family rooted in Christ and give them needed reality checks. With all that life throws at CeCe, will she find a ray of hope? Letters from a Young Christian Catherine Grace Chung, 2003-04

Hope Blooms in a Garden of Faith Suzy Q Winn, 2022-04-27 Hope Blooms in a Garden of Faith. By Suzy Q Winn. Hope Blooms in a Garden of Faith is Suzy Q Winn's story about her life overcoming trauma beginning from childhood through the Army law enforcement and serious illness topped with chronic pain. The overarching theme is that hope is there even in the darkest of times. Most people have lived through at least one of her traumas and if her story can help even one person with hope, healing, or inspiration, it was worth sharing. **Liberty & Justice** Satta Kendor, 2022-10-05 Liberty and Justice is a multimillionaire church and Christian journal enterprise that is built from criminal roots. There's a stigma that leaders of the Christian church are nearly perfect people. However, that is not the case for the first couple of the Liberty and Justice enterprise, Aminata Smith and Pastor Sahele. The first couple of the church are involved in a criminal system called the Network. The Network gains financial proceeds from criminal activities like money laundering and drug trafficking. These proceeds help maintain the church, the journal, and the rich pleasures of the first family's desires. The quench to maintain the Liberty and Justice empire is strengthened when a flash drive goes missing and all hell breaks loose. This particular flash drive holds critical information that the Network needs to continue its money-making criminal activities. Consequently, there is a very bloody witch hunt that takes you around the globe. With a multifaceted plot line, Liberty and Justice has enough drama that satisfies your reading wants as well as makes you heed to worldly conversation and encounters dealing with sexuality, politicism, crime, and religion. Who has the flash drive? We'll see.
