

The background of the cover features a complex, three-dimensional molecular model. It consists of numerous spheres of varying sizes, some appearing metallic and others more translucent, connected by thin, dark lines representing chemical bonds. The spheres are arranged in a way that suggests a crystalline or network-like structure, with some spheres in sharp focus and others blurred in the background, creating a sense of depth. The overall color palette is a mix of metallic greys, silvers, and light blues, set against a soft, warm-toned background.
