

AQA A-Level History - The Cold War

Notes Section One Exam Question and Answer

The Cold War - A conflict between two **OPPOSING** ideologies, capitalism and communism, fought between the USSR and the USA

The Cold War (definition 2) - A state of geopolitical tension after WW2 between the powers of the Western and Eastern Bloc, pursued primarily through economic and political actions

Soft power (American tactic) - Not using military force to influence people; often portrayed themselves at the best through major aspects of society (e.g. movies, media etc)

The West fears communism because - - It spreads and could lead to a world revolution where capitalism is **OVERTHROWN**

- This would lead to a loss of American influence and power

- Marx was an intellectual, therefore the masses may be more prone to listen to his ideologies

Stalinism - The ideologies and policies adopted by Stalin, based on centralisation, totalitarianism, and pursuit of communism

- Stalinism in one country for world **DOMINATION**; everyone will look to Russia as the perfect model

Why Hitler was a threat to Russia - - Fascism vs Communism; polar opposites

American capitalism - - Based on ideas of 'laissez faire', an economic system in which transactions between priv. parties are free from government intervention

Isolationism (American foreign policy) - America became a country in its own right after defeating British/Europ. **IMPERIALIST** powers, there they isolate themselves into America to stop any European interference

The Monroe Doctrine (1823) - Isolationism or start of American imperialism for 'protection'?

- Foreign policy regarding "Latin America" in which further attempts of nations colonising states in North or South A. would require US intervention

- US would also not interfere w existing European colonies

Manifest Destiny - Belief that the US was destined to expand across the North American (Mexico+Canada) continent

Chapter 1 section Cold War Answer:

OCR GCSE Modern World History Revision Guide 2nd Edition Wayne Birks, Ben Walsh, 2014-10-31 Succeed in OCR GCSE Modern World History with this active and effective approach to revision All the key content of the OCR course is presented in just the right amount of detail for revision Revision tasks are provided for every topic to ensure you remember and understand it Exam Practice and Exam tips help you apply what you are learning to exam style questions Comment boxes guide you towards possible viewpoints on the key issues reaching your own view and being able to support it is a good way to boost your grade

Winning the Cold War: Appendixes to part VI: A. The cold war since 1960; B. Research studies of U.S. Information Agency, January 1964 United States. Congress. House. Committee on Foreign Affairs, United States. Congress. House. Committee on Foreign Affairs. Subcommittee on International Organizations and Movements, 1963 Focuses on role of private business educational and trade union organization in fostering positive U S image abroad Classified material has been deleted

My Revision Notes: AQA AS/A-level History: The Cold War, c1945-1991 Melanie Vance, 2017-05-02 Exam Board AQA Level AS A level Subject History First Teaching September 2015 First Exam June 2016 Target success in AQA AS A level History with this proven formula for effective structured revision key content coverage is combined with exam preparation activities and exam style questions to create a revision guide that students can rely on to review strengthen and test their knowledge Enables students to plan and manage a successful revision programme using the topic by topic planner Consolidates knowledge with clear and focused content coverage organised into easy to revise chunks Encourages active revision by closely combining historical content with related activities Helps students build practise and enhance their exam skills as they progress through activities set at three different levels Improves exam technique through exam style questions with sample answers and commentary from expert authors and teachers Boosts historical knowledge with a useful glossary and timeline

Access to History: The USA and the Cold War 1945-63 Second Edition Oliver Edwards, 2002-08-30 This second edition has been updated to take account of recent historical research into the period including up to date interpretations relating to the Cuban Missile Crisis The major issues surrounding the origins of the Cold War and its subsequent escalation into a global power struggle between the United States and the Soviet Union are examined through an accessible narrative and comprehensive selection of sources The author also provides an analysis of the extent to which the Cold War had an impact on America's political institutions and society The revised study guides provide a firm basis for answering differentiated source based and extended writing questions

Cinematic Cold War Tony Shaw, Denise Jeanne Youngblood, 2010 The first book length survey of cinema's vital role in the Cold War cultural combat between the U S and the USSR Focuses on 10 films five American and five Soviet both iconic and lesser known works showing that cinema provided a crucial outlet for the global debate between democratic and communist ideologies

Russians in Cold War Australia Phillip Deery, Sheila Fitzpatrick, 2024-02-19 Russians in Cold War Australia explores

the time during the Cold War when Russian displaced persons including former Soviet citizens were amongst the hundreds of thousands of immigrants given assisted passage to Australia and other Western countries in the wake of the Second World War. With the Soviet Union and Australia as enemies, skepticism surrounding the immigrants avowed anti communism introduced new hardships and challenges. This book examines Russian immigration to Australia in the late 1940s and 1950s both through their own eyes and those of Australia's security service ASIO to whom all Russian speakers were persons of interest.

The British Army, the Gurkhas and Cold War Strategy in the Far East, 1947-1954 Raffi

Gregorian, 2002-05-10 This book argues that postwar Britain's imperial over extension has been exaggerated. Britain developed and adjusted its defence strategy based upon the perceived Communist threat and available resources. It was especially successful at adapting to meet the strategic and resource challenges from the Far East from 1947-54. There British and Gurkha forces were deployed only in contingencies that threatened vital British interests while the U.S. and

Commonwealth allies were persuaded to accept key wartime missions thus preserving Britain's ability to fight in Western Europe.

The Cold War Comes to Main Street Lisle A. Rose, 1999 In 1950 Main Street American was abruptly traumatized. The sudden prospect of thermonuclear war with the Soviet Union, Senator McCarthy's vicious anticommunist crusade and the beginning of the Korean War all combined to dampen the public mood. The Cold War invaded every home. Rose maintains that 1950 was a pivotal year for the nation. He argues that the convergence of Korea, McCarthy and the bomb wounded the nation in ways from which we've never fully recovered. Brimming with originality, this book makes readers look at the Cold War from a dozen different angles.

Bernard Brodie and the Foundations of American Nuclear Strategy Barry Howard Steiner, 1991 Steiner analyzes how and why Brodie's understanding of weapons of unparalleled explosive force led him to posit the need for revolutionary strategic thinking in broadminded analytic method and in the focus upon cities as nuclear targets. He shows the tremendous effect Brodie's work had on the intellectual climate in which policy is determined, particularly in his frequent combatting of conventional wisdom.

Ireland and the Cold War Paula L. Wylie, 2006 Since Irish foreign policy objectives often fluctuated in the Cold War environment, the conventional assumption is that the administration of Irish foreign policy was conducted in an unprincipled manner. This work offers a new approach to the study of Irish foreign policy by unifying economic, political and legal issues under the framework of diplomatic recognition. Arguing that Irish foreign policy in the

area of recognition was based on the flexibility required of small state diplomacy during the early Cold War the author's research in the area of Ireland's approach toward emerging and reconstituted states illustrates the high level of professionalism commitment and administrative consistency within the Department of External Affairs in the administration of foreign policy This work presents the difficulties in balancing the interests of Ireland as a minor actor within the complicated framework of international diplomacy during the period 1949-63 Case studies include the non recognition of Israel China Vietnam and East Germany in full length chapters *Kesselring's Last Battle* Kerstin von Lingen, 2009 Revisits the war crimes trial of Albert Kesselring commander in chief of German troops in Italy during World War II who was sentenced to death for the killing of thousands of civilians in Italy Reveals how the commutation of that death sentence was one of the earliest maneuverings in the nascent Cold War *A New Cold War* Sanjaya Baru, Rahul Sharma, 2021-08-04 In July 1971 US National Security Advisor Henry Kissinger made a secret visit to China to meet top Chinese leaders This inaugurated a new phase not just in US China relations but in contemporary history That visit and the subsequent US China relationship including the US decision to invest in China's economic rise and admit it into the WTO combined to firm up the foundations of China's rise as a world power For more than four decades the leadership of the two countries had a secretive pact which worked well to each other's benefit The US helped power China's economic growth in the hope that Beijing would turn a new political leaf and adopt Western practices e.g. democracy China grew economically and militarily used its financial prowess to spread its influence across continents as four generations of Chinese leaders built their nation at the expense of the US Half a century after Kissinger's historic visit the US and China are today engaged in a trade war bordering on a new Cold War Washington is not openly talking about decoupling from China which has begun to challenge its global dominance but it might very well be China has already established itself as a dominant power across Eurasia More worryingly China is militarily and economically threatening its neighbours including Japan Korea Vietnam Taiwan Australia Philippines Indonesia and India This collection of critical essays examines the impact consequences and legacy of Kissinger's first door opening visit to China and how it has shaped world order **The American Blacksmith** ,1920

Eventually, you will agreed discover a other experience and skill by spending more cash. nevertheless when? complete you take that you require to get those every needs following having significantly cash?
