

2. The Role of the Teacher in the Classroom

The role of the teacher in the classroom is a complex one, involving a variety of responsibilities and challenges. This section explores the different aspects of the teacher's role, from classroom management to instructional strategies.

Classroom Management

Classroom Management is a critical component of the teacher's role, as it sets the stage for effective instruction. Teachers should use a variety of strategies to manage the classroom, including setting clear expectations, using positive reinforcement, and addressing misbehavior promptly and fairly.
