Chapter 25 Standard Costs And Balanced Scorecard:

Accounting Principles Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2010-12-20 Weygandt's Accounting Principles introduces challenging accounting concepts with examples that are familiar to accountants. The new edition has been updated with the latest IFRS/IASB standards. Additional coverage is included on foreign currency translation and LCM. More discussions focus on risk management as a result of the financial crisis. The examples also emphasize current examples in order to help accountants make the connection to their everyday lives. Accounting Principles Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-02-28 Weygandt's Accounting Principles continues to provide students with a trusted and clear introduction to fundamental accounting concepts which has made this best-selling text so popular. Helping students get the most out of their accounting course by making practice simple, the new edition continues to present the accounting cycle from a sole proprietor perspective whilst providing the latest IFRS integration throughout. Separate references to GAAP are made at the end of each chapter for courses where needed. To maximise student achievement, a plethora of additional teaching and learning resources will be available including self-tests, exercises, templates, videos, and more. Using metric units and companies with a more global feel, this new text is ideal for courses across the world. *Financial and Managerial Accounting* Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-06-06 Financial and Managerial Accounting provides students with a clear introduction to fundamental accounting concepts beginning with the building blocks of the accounting cycle and continuing through financial statements. This product is ideal for a two-semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts as well as learn the accounting cycle from a corporate perspective. *Accounting* John Hoggett, John Medlin, Keryn Chalmers, Claire Beattie, Andreas Hellmann, Jodie Maxfield, 2024-01-29 A benchmark Accounting text over the past 30 years, Hoggett's Accounting has been refreshed in this twelfth edition. A must-have for students who want to succeed in their unit and leave with a rich foundation of technical knowledge for their future study and accounting career, the text focuses on accounting from the perspective of a financial statement preparer. With two versions being published, Hoggett's Financial Accounting can be used for either the typical one-semester course or Hoggett's Accounting with 6 additional introductory management accounting chapters can extend to two semesters. The eBook edition of Accounting 12th Edition features a range of instructional media content designed to provide students with an interactive and engaging learning experience. This unique resource can also form the basis of a blended learning solution for lecturers. **Study Guide to Managerial Ch 12-25** Brubeck, Charles T.
