contemporary daily newspaper be d tourned to reveal its ideological function This question is addressed in a new undergraduate thesis at Malm University Sweden based on an ideological analysis of The Guardian Using Guy Debord and the Situationists method of d tournement five of its front pages have been redesign and printed as an implementation of the conclusions drawn The prints were sent back to the editors as a reversed subscription *The Journalist in British Fiction and Film* Sarah Lonsdale, 2016-07-14 Why did Edwardian novelists portray journalists as swashbuckling truth seeking super heroes whereas post WW2 depictions present the journalist as alienated outsider Why are contemporary fictional journalists often deranged murderous or intensely vulnerable As newspaper journalism faces the double crisis of a lack of trust post Leveson and a lack of influence in the fragmented internet age how do cultural producers view journalists and their role in society today In *The Journalist in British Fiction and Film* Sarah Lonsdale traces the ways in which journalists and newspapers have been depicted in fiction theatre and film from the dawn of the mass popular press to the present day The book asks first how journalists were represented in various distinct periods of the 20th century and then attempts to explain why these representations vary so widely This is a history of the British press told not by historians and sociologists but by writers and directors as well as journalists themselves In uncovering dozens of forgotten fictions Sarah Lonsdale explores the bare knuckled literary combat conducted by writers contesting the disputed boundaries between literature and journalism Within these texts and films there is perhaps also a clue as to how the best aspects of Fourth estate journalism can survive in the digital age Authors covered in the volume include Martin Amis Graham Greene George Orwell Pat Barker Evelyn Waugh Elizabeth Bowen Arnold Wesker and Rudyard Kipling Television and films covered include *House of Cards* US and UK versions *Spotlight* *Defence of the Realm* *Secret State* and *State of Play* 1972 Scott Morrison, 2022-05-03 1 BESTSELLER The legacy of the greatest hockey series ever played fifty years later with stories from the players that shed new light on those incredible games and times Cournoyer has it on that wing Here s a shot Henderson made a wild stab for it and fell Here s another shot Right in front they score Henderson has scored for Canada These immortal words spoken to hockey fans around the world by the legendary broadcaster Foster Hewitt capture the historic final seconds goal scored by Paul Henderson that won the 1972 Summit Series against the Soviet Union Hockey fans know the moment well but the story of those amazing eight games has never been fully told until now The series was the first of its kind and one of the most dramatic sporting showdowns in history With the Soviets dominating international hockey this series was meant to settle the

debate once and for all of who owned the game It was Canada s best against the Soviets for the first time And in the shadow of the Cold War this was about more than eight games of hockey Expectations were high as the series began This was supposed to be easy for Team Canada but after the disappointing first four games on home ice with only one win victory seemed out of reach With the final four games in Moscow Canada got a rare glimpse behind the iron curtain as the team as well as three thousand raucous fans arrived in the USSR Amid the culture shock and strained relations what followed was a tug of war battle that lasted to the dying seconds of game 8 Now five decades after this historic event it s time to reflect on the greatest hockey series ever played Veteran journalist and hockey analyst Scott Morrison uses a storyteller s voice to reveal what it meant to hockey then and what it means now Filled with the memories of the players and others involved with the series he shows how it changed the game and challenged a nation s sense of identity and place in the world The Improvement Era ,1944 The American Journey Joyce Oldham Appleby,Alan Brinkley,James M.
