

Postwar America

MAIN IDEA

The Truman and Eisenhower administrations led the nation to make social, economic, and political adjustments following World War II.

WHY IT MATTERS NOW

In the years after World War II, the United States became the economic and military power that it still is today.

Terms & Names

- GI Bill of Rights
- suburb
- Harry S. Truman
- Dixiecrat
- Fair Deal

One American's Story

Sam Gordon had been married less than a year when he was shipped overseas in July 1943. As a sergeant in the United States Army, he fought in Belgium and France during World War II. Arriving back home in November 1945, Sam nervously anticipated a reunion with his family. A friend, Donald Katz, described Sam's reactions.

A PERSONAL VOICE DONALD KATZ

"Sam bulled through the crowd and hailed a taxi. The cab motored north through the warm autumn day as he groped for feelings appropriate to being back home alive from a terrible war. . . . [He was] nearly panting under the weight of fear. . . . Back home alive . . . married to a girl I haven't seen since 1943 . . . father of a child I've never seen at all."

— *Home Fires*

Sam Gordon met his daughter, Susan, for the first time the day he returned home from the war, and he went to work the next morning. Like many other young couples, the Gordons began to put the nightmare of the war behind them and to return to normality.

GIs returned home to their families after World War II with new hope, but also with new problems.

Readjustment and Recovery

By the summer of 1946, about 10 million men and women had been released from the armed forces. Veterans like Sam Gordon—along with the rest of American society—settled down to rebuild their lives.
