

A close-up, high-angle photograph of a computer motherboard. The central focus is a square CPU chip with a grid of gold pins, mounted on a black heat spreader. To the right, a RAM module is partially visible, showing its gold contacts. The motherboard is populated with various electronic components, including capacitors, resistors, and integrated circuits. A yellow ribbon cable is connected to a SATA drive. The background is a blurred view of the motherboard's circuitry and components.
