Pearson's Comprehensive Medical Assisting Kristiana D. Routh, 2022-03 Medical assistants connect with people every hour of every day They are the first line of medical care for many patients To assist the physician with examining and treating patients medical assistants must have a thorough knowledge of the structure and systems of the human body as well as a thorough knowledge of the procedures the physician performs and the procedures the medical assistant performs At the same time medical assistants must make every patient in a physician s office feel secure They must comfort They must listen They must explain They must demonstrate Medical assistants help every patient feel like the only patient *Pearson's Comprehensive Medical Assisting* Nina Beaman, Kristiana Sue Routh, Lorraine M. Papazian-Boyce, Ron Maly, Jamie Nguyen, 2017-03-07 For courses in Medical Assisting Help students develop the procedural people and professional skills they need to succeed in the medical assisting profession Pearson s Comprehensive Medical Assisting Fourth Edition offers a step by step competency based approach that covers virtually all facets of the medical assisting profession Filled with 227 Procedures 32 of which are new and a variety of workplace scenarios and critical thinking exercises the book helps students gain the procedural people and professional skills that are fundamental to being an effective Medical Assistant The Fourth Edition was reconceived around the latest standards and guidelines published by CAAHEP the Commission on Accreditation of Allied Health Education Programs and ABHES Accrediting Bureau of Health Education Schools In this groundbreaking

approach the text's learning objectives were rewritten to directly conform to the standards and all content was reorganized to flow from these objectives. Mapping documents demonstrate where standards for both of the accrediting bodies are met. To ensure a comprehensive cohesive teaching and learning experience the Fourth Edition's ancillaries also underwent a comprehensive update and in the case of the Student Workbook a significant revision. The detailed in-depth follow-along study guide feature found at the beginning of each Workbook chapter directly reflects the correlating textbook chapter providing important reinforcement of the information. The Workbook also features brand new activities that directly relate to CAAHEP standards particularly CAAHEP's Affective Competencies. The Instructor's Resource Manual details how each chapter's content conforms to the specific curriculum standards of accrediting bodies as well as the content required in various certification exam outlines. An updated Test Bank PowerPoint Lecture Slides and set of Lesson Plans round out the new edition's supplement package. Also available with MyLab Medical Assisting, MyLab™ Medical Assisting is an online homework tutorial and assessment program designed to work with this text to engage students and improve results. Within its structured environment students pursue an adaptive test of their knowledge practice what they've learned and prepare for their certification exam. Content includes comprehensive Homework Questions Critical Thinking Quizzes Professionalism Scenarios and sample Certification Exams. This edition features an update of key Procedural Videos as well as the inclusion of new video-based Decision Making Cases Dynamic Study Modules and Interactive Procedural Checklists. Note: You are purchasing a standalone product. MyLab does not come packaged with this content.
